

This State Trails Program is actively working with other state and federal land management agencies to identify designated ORV roads, trails, and open riding areas. PLEASE CONTACT THE LOCAL FOREST SERVICE AND BLM OFFICES FOR INFORMATION REGARDING ROADS, TRAILS, AND AREAS DESIGNATED FOR ORV USE.

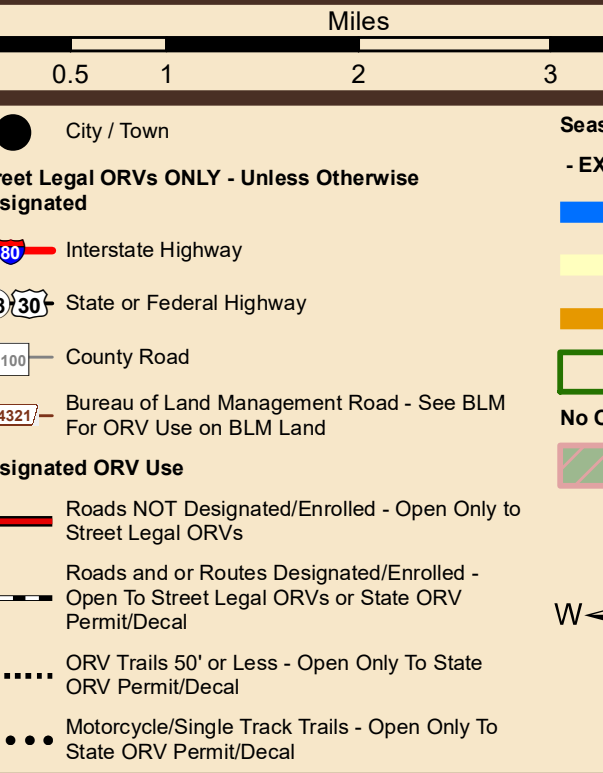

State Parks staff may also have information about ORV roads and trails in the vicinity of their state park.

Please contact the local land manager for more information regarding winter or other seasonal restrictions. This map is intended for spring, summer, and fall ORV season only.

Any spring or closed gates on-the-ground take precedence over any designations marked on the ORV map.

This Map is intended for use in the 2021 ORV season ONLY. Designated ORV roads and trails may change from year-to-year and it is important that you contact the local land managers for the most recent ORV environments. For more information call 800-777-4500 or visit a local USDA Forest Service Office.

THIS MAP IS FOR REFERENCE ONLY. IT IS YOUR RESPONSIBILITY TO OBTAIN AND CARRY A CURRENT TRAIL MAP. MANICULE USE MAP FROM THE LAND MANAGING AGENCY. IT IS ALSO YOUR RESPONSIBILITY TO OBTAIN AND FOLLOW ALL CURRENT TRAVEL REGULATIONS AND RESTRICTIONS.

Roads Enrolled	Decal or License Plate	Decal or License Plate	Motorcycle Only (M)	ORV Only (O)
Trails Enrolled (50" or less)	Yes	No	No	No

Age and Education Requirements
Operators that do not have a drivers license or permit (normally those 15 years old and under) can operate an ORV only on designated/enrolled trails, designated riding areas, and private property with permission. Operators over the age of 14 years with proper drivers license endorsement can ride on roads, routes, trails that are designated for ORV travel, and non-designated roads if the ORV is street legal. It is highly recommended that an adult accompany youth under 18 years of age while they ride. ORV operators should never ride alone, regardless of age.

Equipment Requirements
All ORVs are required to have certain equipment in working order when operating on public lands in Wyoming, including:
- Brakes sufficient to stop and hold the ORV.
- A headlight and tail light while operating between sunset and sunrise.
- Some land management agencies require a bright colored flag attached to the ORV, extending eight feet from the ground while operating on designated sand dunes areas. A muffler which does not exceed 102 decibels with an approved spark arrestor.

Prohibited Uses/Behavior
It is unlawful for any person to use an ORV in connection with acts of vandalism, harassment of wildlife or domestic animals, or in commission of a crime. It is also unlawful for anyone to operate an ORV in such a manner to cause resource damage, which can be defined as, but not limited to, damage to the environment by excessive pollution of air, water, or land, abuse of watersheds, impairment of plant or animal life, or the creation of excessive noise.

All ORVs must be equipped with a muffler with an approved spark arrestor when operated on both trails and roads. Wy. Statute: WS 31-5-1601 (a)(X)(A,B)

All ORV must be registered.
BLM roads within the state are considered open for ORV use.

- A Wyoming State ORV Permit or a license plate is required on BLM lands.

- If a vehicle is licensed in a state other than Wyoming, a Wyoming registration sticker is required.

Respectful Rider's Ethics

"Tread Lightly! Pledge"

Travel Responsibly on designated roads and trails or in permitted areas.

Respect the Rights of Others including private property owners and all recreational trail users, campers and others to allow them to enjoy their recreational activities undisturbed.

Educate Yourself by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely.

Avoid Sensitive Areas such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage.

Do Your Part by leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species, restoring degraded areas, and joining a local enthusiast organization.
