## **Executive Summary**

Wyoming state park and historic site visitation has steadily increased over the last 20 years. In 2014, 3.6 million visitors came to state parks and 300,000 visitors came to historic sites.

Over 2/3 of visitors to Wyoming state parks and historic sites are traveling with family members.

Ninety nine percent of visitors to Wyoming state parks and historic sites feel staff were very helpful or fairly helpful.

The number of visitors getting information from computer sources continues to climb

Technology based services are becoming more of a priority for visitors. Services allowing visitors access to call, text and access data/WIFI using their personal mobile devices or information such as site specific websites and weather data are preferred. Historic site visitors are less likely to view these services as a priority.

### **What is the average Wyoming State Park visitor like?**

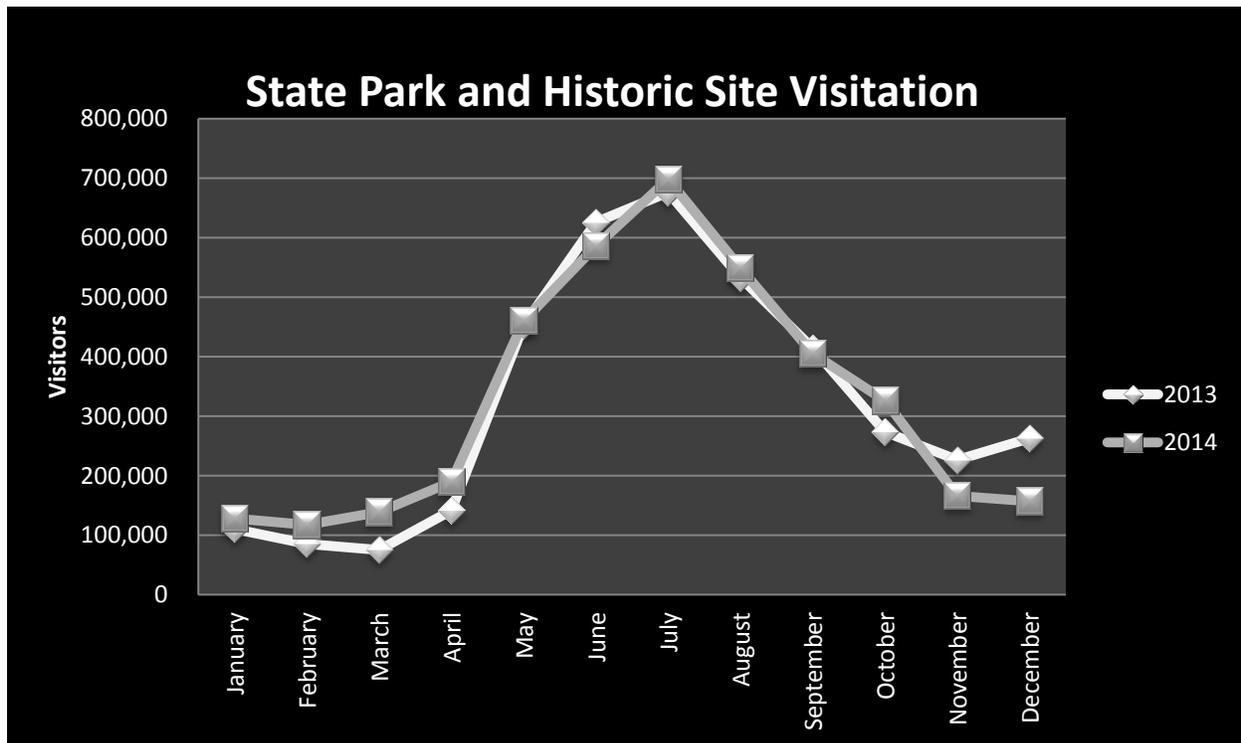

- More than half of summer (61%) and winter (79%) visitors to Wyoming state parks are from in state
- The percentage of repeat visitors has steadily increased since 1997 and over 2/3 of summer and winter visitors have visited the state park previously
- Over 2/3 of summer and winter visitors consider the park the main destination of their trip
- Average length of stay at Wyoming state parks is 46.3 hours (summer) and 14.3 hours (winter)
- Average age of Wyoming state park visitors in the summer is 35 and winter is 38
- Average summer party size is 3.04 people compared with 2.68 in the winter
- The most frequent primary activity is RV/trailer camping (summer) and fishing (winter)
- Over half of the summer visitors to Wyoming state parks are equipped to camp and over 40% of these park visitors indicate they recreate with a travel trailer, motor home or other camping unit
- Over half of the visitors to Wyoming state parks in the summer are overnight visitors
- Of those who use the reservation system over ¾ of all visitors indicated it was easy to use
- Nature/wildlife viewing is the most popular activity and has the highest participation rate
- Management activities related to providing basic needs such as restroom maintenance and trash collection are the highest priority

### **What is the average Wyoming Historic Site visitor like?**

- More than half of summer (67%) visitors to Wyoming historic sites are from out of state
- Approximately 2/3 of visitors are visiting for the first time
- Approximately 1/4 of summer visitors to historic sites consider the site the main destination of their trip
- Average stay at Wyoming historic sites is 2.2 hours (summer)
- Historic site visitors are an average of 7 years older than state park visitors
- Average party size is 3.49 people
- Going to a visitor center or museum has the highest participation rates
- Management activities to maintain and interpret the historic resources are the highest priority

## Introduction

Wyoming State Parks and Historic Sites (SPHST) are popular destinations and stops for leisure travelers. According to Strategic Marketing and Research Insights 2014, visiting a state or national park continues to be the most influential motivator for Wyoming travelers. Enjoying scenery, hiking, wildlife watching, and visiting historical sites round out the top activities motivating travel. In the most recent reporting year, SPHST served nearly four million visitors representing approximately 70,000 more visitors than the previous year (Wyoming Division of State Parks, Historic Sites, and Trails, 2014). Starting in 2013, we began collecting visitation data year round. These data indicate 23% of visitors are coming to SPHST from November to April.

<i>Winter and Summer Visitation for State Parks and Historic Sites</i>					
	Summer	Percent of Total	Winter	Percent of Total	Total for Year
2013	2,975,627	77%	902,851	23%	3,878,478
2014	3,023,855	77%	898,287	23%	3,922,142

According to the most recent survey by the Outdoor Foundation, nationwide nearly half of the population participates in outdoor recreational activities. The most popular outdoor activities include running, biking, fishing, camping and hiking. Activities of interest for recreation providers to monitor and potentially provide opportunities for are those which are gaining in popularity. Adventure racing, stand up paddling, kayak fishing, and mountain biking are relevant pursuits which are expanding in popularity.

To understand and respond to visitor expectations, SPHST needs up-to-date information on who our visitors are, what amenities and facilities they expect, areas we can improve, and activities they participate in or desire to participate in.

Formal and informal monitoring of visitor demographics, behavior and opinions is a tool to help guide management. Informal monitoring occurs for individual parks and historic sites through comment cards, visitor comments, online surveys, and public involvement. Additionally, research conducted for projects such as the 2013 Concessions Master Plan, 2014 Agency Marketing Plan, and various Master and Interpretive Plans gather feedback from visitors specific to sites or certain issues (CHM Government Services, 2013; Linden, 2014; and others).

This Visitor Use Survey is the Division's formal monitoring tool to collect information on a number of issues affecting SPHST system wide. The 2014 Visitor Survey included experience questions to give management insight on visitor behavior such as activities participated in, how visitors are finding out about sites, equipment visitors are traveling with, and length of stay. Visitor profile information was also sought such as where visitors are from, age of visitor, and who they travel with. Several questions were included to determine future management activities and services our guests would like to see at state parks and historic sites.

## Objectives

- To obtain and analyze, through an intercept survey, the opinions of visitors to Wyoming's state parks and historic sites.
- To report findings with an emphasis on site-management planning at Wyoming's state parks and historic sites.
- To evaluate and update statistical prediction models for the number of visitors, predicted from collected traffic counter data.
- To provide qualitative interpretation of the visitor experience based on intercept interviews with outbound and returning users.

## Methods

### Study Area

Surveys were conducted at all staffed Wyoming state parks and historic sites and at unstaffed sites with significant visitation. The surveys were administered in and around site facilities including campgrounds, boat ramps, museums, visitor centers, fee stations, fee boxes and recreation sites.

## Sampling Procedures

The survey form and procedures followed the same methods used in the 2004 and 2009 Visitor Use Surveys (Wyoming State Parks, Historic Sites and Trails, 2004; 2009). In 2004 the Department consulted with Dr. Burke Grandjean from the Wyoming Survey Research Center to develop the methods. Dr. Grandjean recommended a disproportionately stratified sample, over-sampling the summer months and weekends so as to achieve the greatest precision in statistical estimates for those high use periods. To stratify the sample across all Wyoming state parks and historic sites, visitation statistics for the past ten years were taken into consideration. Visitation was broken down by site and month, to develop a matrix for administering the surveys as shown below. The goal was to complete an adequate number of surveys to achieve a 95% confidence level with a +/- 3% sampling error.

At entrance points, including visitor centers, museums, and fee stations, interviews were conducted or surveys were distributed on a random sample of visitors or vehicles entering the site. Personal deliveries of questionnaires by trained interns were also administered at facilities used by visitors. Surveys were conducted in all months from January to December of 2014 on all days of the week and at various times of day. This is the second visitor survey conducted by SPHST which captured the opinion of visitors during the winter season.

### **Data Compilation and Analysis**

Data were compiled in an electronic format throughout the summer and into the winter of 2014. Once the responses to the visitor surveys were entered, summaries were tabulated for each Wyoming state park and historic site (Appendices A through C). Additional analysis was conducted to summarize statewide results for all Wyoming state parks and historic sites where surveys were collected. Visitor opportunities at Wyoming state parks versus historic sites are quite different so it would not be meaningful to analyze an aggregate of all the survey data. Data from 2014 along with a comparison to previous years (1997, when available, 2004 and 2009) results were summarized and are presented in the following sections. Please note, in some cases total of reported responses may be within +/- 1 of 100 percent as a result of rounding discrepancies.

## State Parks Results

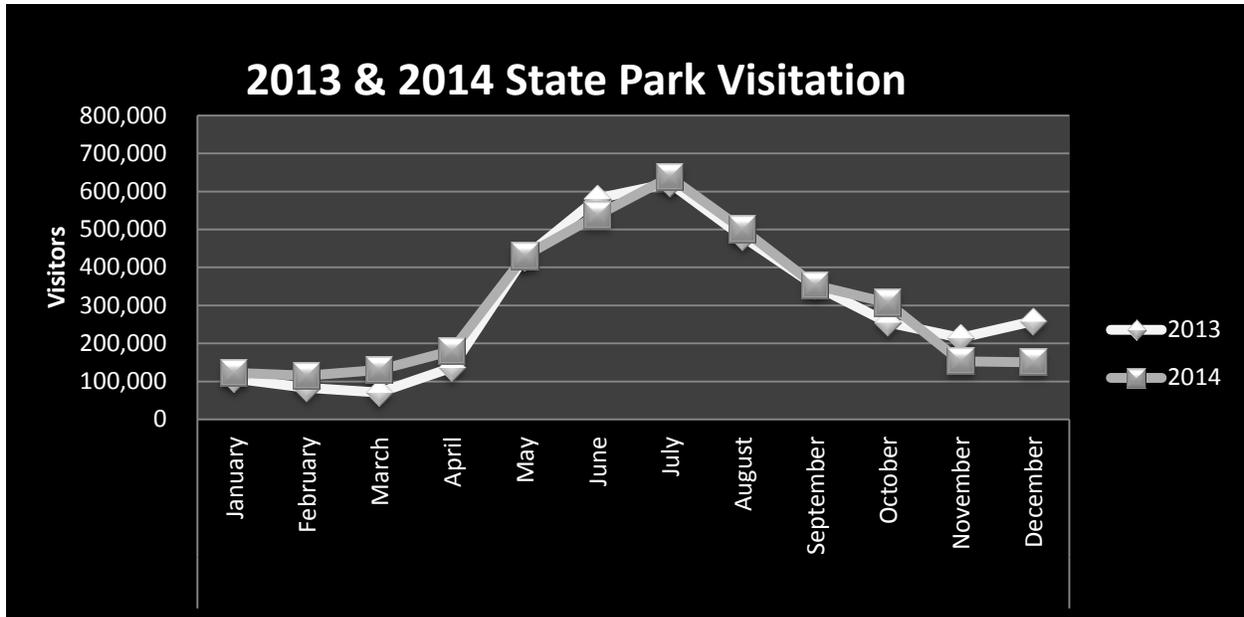

Over 3500 surveys were collected at Wyoming state parks. Surveys were conducted during the entire 2014 calendar year with the goals for monthly totals based on average visitation. During the collection period, 75% of the survey goal was met. During the summer survey season five sites collected 90% or more of their quota, in the winter three sites achieved 90% or more of the quota. Two parks, Glendo and Hawk Springs, had less than 50% of their quota. Given the number of survey responses, the Glendo data has a +/- 10% sampling error for a 95% confidence level. The Hawk Springs data has a +/-10% sampling error for an 85% confidence level. We did compare data for these parks from the 2004 and 2009 surveys and trends are consistent with the 2014 data. Winter sampling can be challenging due to weather conditions, additionally winter visitors often do not linger as long as summer visitors.

## State Park Visitation

Annual visitation to Wyoming State Parks exceeds 3.5 million. Approximately  $\frac{3}{4}$  of the visitation is during the summer visitor season.

### Winter and Summer Visitation for State Parks

	Summer	Percent of Total	Winter	Percent of Total	Total for Year
<b>2013</b>	2,718,692	76%	871,244	24%	3,589,936
<b>2014</b>	2,765,442	76%	852,909	24%	3,618,351

### Question 2. Have you visited this State Park before and how many times will you visit this site?

The percentage of repeat visitors continues to grow at state parks. Since 2001 SPHST has made a concerted effort to maintain and upgrade facilities and create new improvements and events in the parks. The continued increase in visitation and repeat visits tends to indicate the public likes what we are doing. Leisure travelers in Wyoming include a majority of visitors who have vacationed previously in the state. This also holds true for visitors to state parks where 70% summer and 80% of winter visitors have been to the park before. The number of planned trips during the summer months has shown a slight increase across all parks since 2004. The previous and current survey showed higher repeat visitation during the winter season. Winter visitors tend to be year round visitors, whereas, many summer visitors only come in the summer. The current survey shows a marked increase in number of visits by winter users at all parks as well.

Repeat visitation and number of visits ties directly to state parks being considered destinations rather than stop overs as part of a longer trip. Maintaining facilities, providing new improvements and

activities are important components of becoming a destination. National trends indicate the number of new participants in outdoor recreation is only slightly higher than the number of people that cease participating (Outdoor Foundation, 2014). To continue to build the visitor base at the sites we manage, we need to continue to recruit the new visitor. National trends and current park data indicate outreach and marketing to new visitors is an important strategy for maintaining and increasing park visitation.

State park repeat visits and number of visits per year contrast with historic sites where in the most recent survey slightly less than 1/3 of the visitors have been at the historic site before and the number of repeat visits is significantly less. Historic sites have a much higher percentage of out of state visitors, making it harder for them to return to the site.

**Question 3. Do you have an annual permit?**

Annual permits are held by over 25% of visitors to State Parks. Based on comparison to the 2004 survey and Annual Permit sales data, the number of permit holders is increasing at a steady rate.

<b><i>State Park Annual Permit Holders</i></b>

**Question 4. Did you have contact with park staff? If so, how helpful were park staff (new question in 2014)?**

Of those visitors who had contact with park staff, the majority had positive opinions related to helpfulness of staff during both the winter and summer survey seasons. Quality facilities coupled with quality staff creates a setting where travelers will want to return and encourage others to visit.

<i>Contact with State Park Staff</i>				
	Summer		Winter	
Survey Year	2014		2014	
Contact	86.3%		91.6%	
No Contact	13.7%		8.4%	

<i>How helpful are State Park staff?</i>

Not Very Helpful	1%	1%	1%		1%	1%
Not At All Helpful	1%	1%	0%		1%	0%

**Question 5. Who are you traveling with?**

The majority of visitors are traveling with family. This is consistent with previous surveys. During the winter months, as would be expected, we host fewer families and more parties who are traveling solo or with friends.

<i>Traveling With to State Park?</i>							
Season	Summer					Winter	
Survey Year	1997	2004	2009	2014		2009	2014

Alone	8%	7%	9%	9%		9%	21%
Group	9%	5%	4%	3%		4%	2%

**Question 6. How many people are in your vehicle?**

The average number of people per vehicle is relatively consistent with the previous surveys. These data are collected to calibrate vehicle counters to get estimates of visitation at our parks.

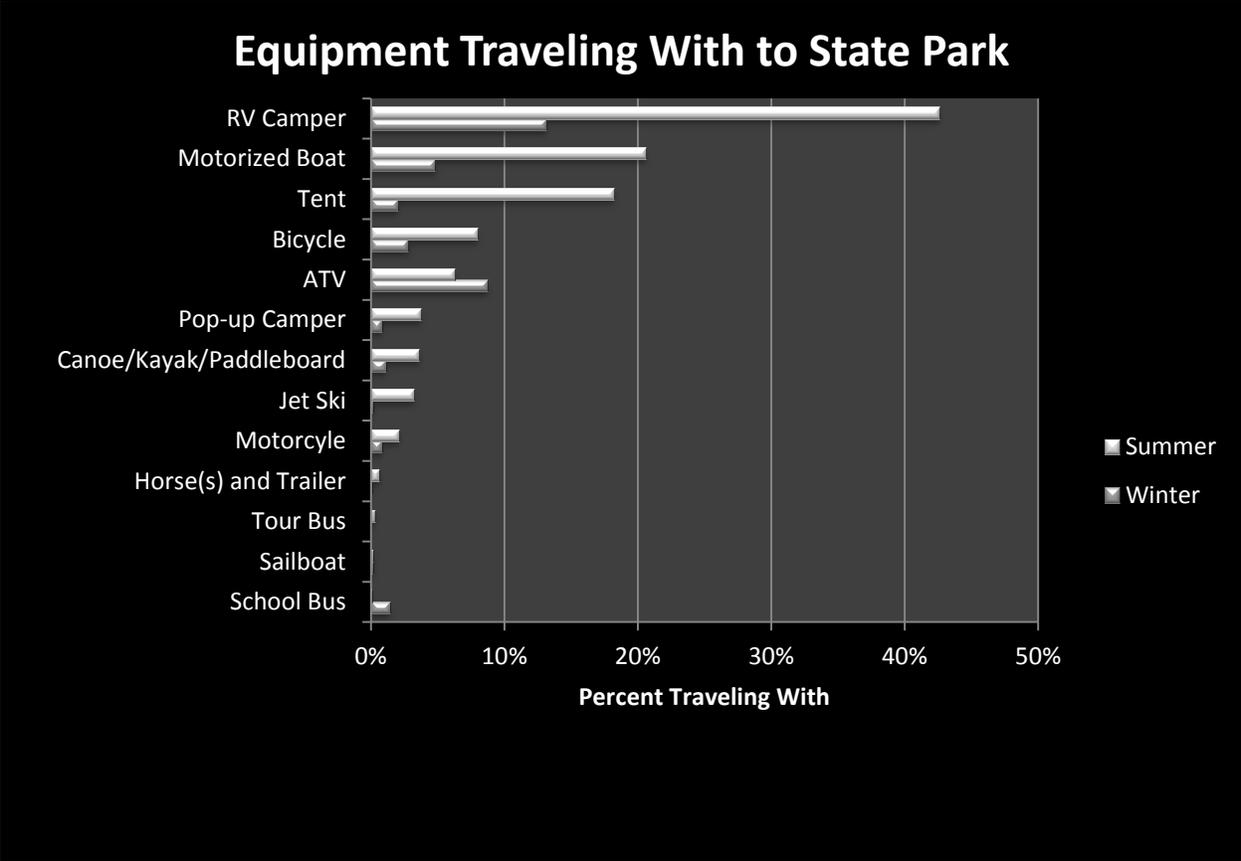

<i>Number of People in Vehicle (State Parks)</i>						
	Summer				Winter	
Survey Year	2004	2009	2014		2009	2014
Vehicle Occupants	3.90	3.14	3.04		2.6	2.68

**Question 7. Indicate your age and the age of people you are travelling with?**

The average age of visitors to State Parks during the summer is 35 and during the winter is 38. This is consistent with average age reported in 2009. Visitors to State Parks, on average, are seven years younger than visitors to Historic Sites.

**Question 8. What equipment are you traveling with?**

Most Wyoming State Parks offer overnight camping accommodations. Over half (60%) of the summer visitors are equipped to camp with a camper or tent. In 2009, less than 35% of park visitors had an RV or camper, in 2014 this jumped to over 42%. SPHST has made a significant investment in improving RV/Camping facilities. Correspondingly SPHST is seeing an increase in RV camping. Significantly less (12%) of winter visitors are likely to have a camper or tent. Most of our state parks are reservoir parks and many visitors are traveling with watercraft with motorized boats continuing to be the most popular. Only a slight increase (1 to 2%) in visitors travelling with other equipment was noted. One differentiation between summer and winter users relates to those travelling with ATVs. This may be attributed to use of ATVs for both ice fishing and hunting.

**Question 9. Where are you from?**

Visitors to state parks continue to be primarily from Wyoming. In the 2014 summer survey, SPHST is reporting a significant jump in Wyoming visitation. In both summer and winter most out of state visitors are from Colorado. Visitors from other states are equally distributed with slightly higher numbers from the adjacent states of Utah and Montana and the highly populated state of California. As would be expected, the winter visitor is more likely to be from Wyoming. This contrasts with historic sites where 1/3 of summer visitors and 1/2 of winter visitors are from Wyoming. In addition, at historic sites other states besides Colorado have high representation.

<i>Where are State Park visitors from?</i>							
Season	Summer					Winter	
Survey Year	1997	2004	2009	2014		2009	2014
Wyoming	46.5%	45.8%	50.0%	61.1%		72.0%	78.7%

Other Country	2.9%	2.2%	4.0%	2.0%		1.0%	0.2%

### Question 10. How did you find out about this State Park?

Most visitors to Wyoming state parks have been there before and are from Wyoming, accounting for previous visits and word of mouth to be the most frequently selected means for finding out about parks. In the previous survey, a single option related to internet information was provided. This question was expanded during this survey to capture social media. Looking at internet information sources in combination indicates growth in the use of this tool. One interesting trend is the decline in the use of highway maps, this can be due to increase in repeat visitors that do not need way finding help.

<i>How did you find out about this State Park?</i>

\*Computer/Internet option from previous surveys was expanded in 2014 to include Web Site, Friend Social Media Feed and Agency Social Media Feed.

### Question 11. Is this park the main destination of your trip?

Over 2/3 of winter and summer visitors consider the State Park to be the main destination or main reason for their trip. These results are slightly higher than previous years. Several of our State Parks such as Buffalo Bill, Hot Springs, and Bear River are considered to be stopovers when on route to another location. At these parks, approximately 40 % of visitors consider the park the destination of the trip. This contrasts with remainder of the State Parks which are considered destinations.

<i>Main Destination (State Parks)</i>						
Season	Summer				Winter	
Survey Year	2004	2009	2014		2009	2014
Destination	62%	62%	68%		68%	73%

**Question 12. If not, a destination, how can we make it one? (See Appendix E)**

This open ended question was added in 2014 with the intent of gaining new ideas we may not have considered. For State Parks which currently do not have camping, such as Bear River and Hot Springs, this was a frequent suggestion. The response that it is already a destination and to keep things the way they are was also frequent (see Appendix E).

**Question 13. How long was your stay at this Park (in hours)?**

The average stay at Wyoming state parks has increased slightly since 2009. During the summer season, slightly more than half of the visitors are staying overnight and the average visitor is staying approximately two days. Winter visitors are less likely to stay more than a day, with approximately 1/3 staying overnight.

<i>Length of Stay at State Park</i>						
Season	Season				Winter	
Survey Year	2004	2009	2014		2009	2014
Hours	41.9	45.3	46.3		15.6	14.3

<i>State Park Overnight Visitor or Day User</i>

Overnight	59%	58%	62%	56%		25%	30%
Day Use	41%	42%	38%	44%		75%	70%

**Question 14. What is your preference for securing a campsite (new question in 2014)?**

A new series of questions in 2014 related to use of the reservation system for securing campsites. Of those visitors who were camping, over 25% prefer to use the reservation system for securing a campsite. Of those using the reservation system (Question 15) over ¾ considered the system to be easy to use.

<i>Preference to Secure a Campsite</i>			
Season	Summer		Winter
Survey Year	2014		2014
Reservation	28%		15%
First Come/First Serve	45%		41%
Not Applicable	26%		44%

**Question 15. Have you used the State Parks reservation system? If so was the system easy to navigate (new questions in 2014)?**

<i>Reservation System Users and Ease of Use</i>			
Season	Summer		Winter
Survey Year	2014		2014
Used System (% Yes)	33%		20%
Easy to Use (% Yes)	78%		78%

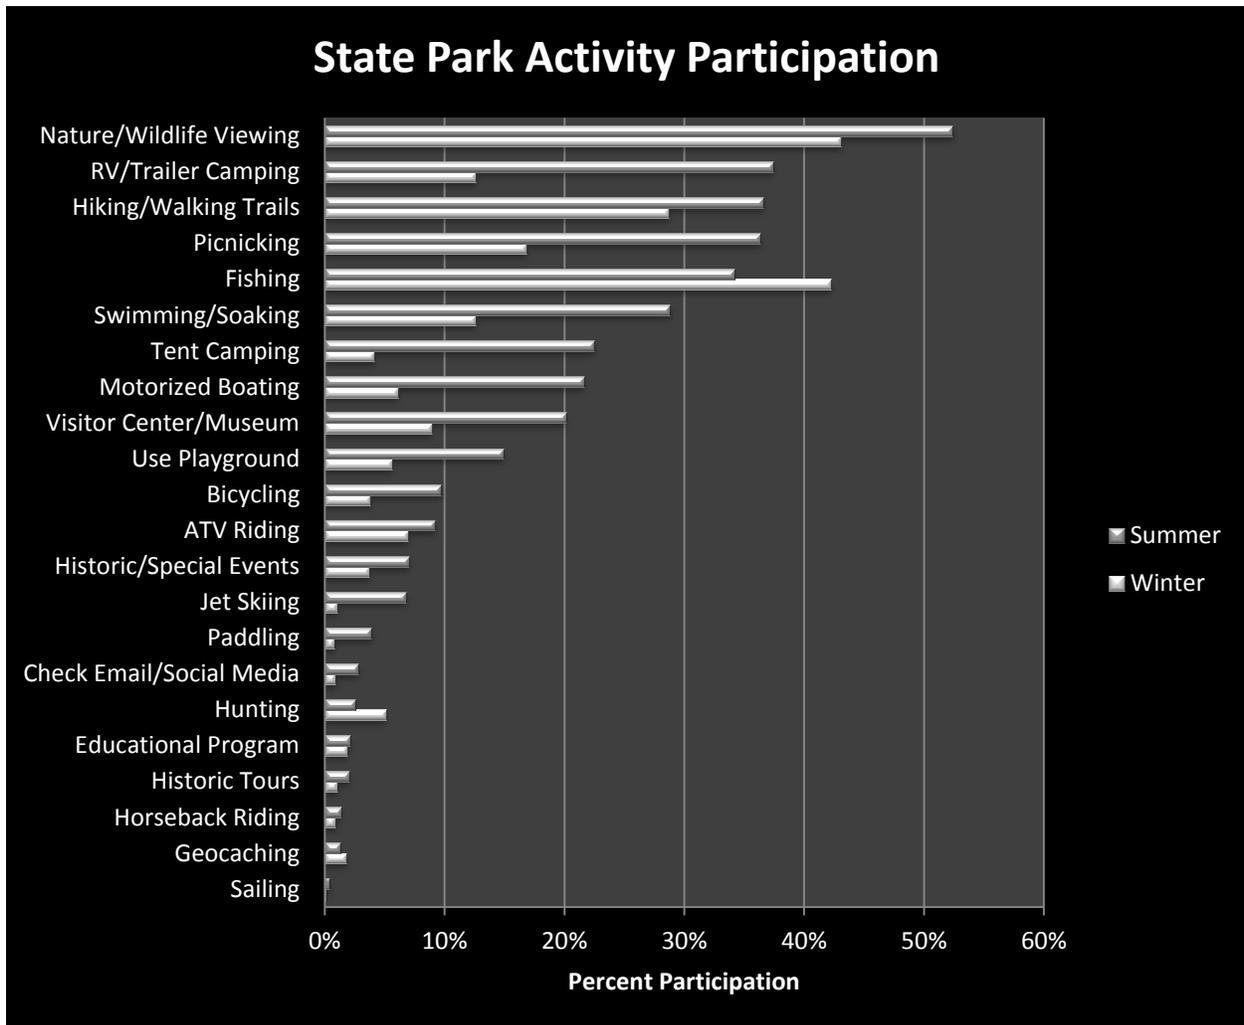

**Question 16. What activities did you participate in while here?**

Visitors were asked to select all activities which they participated in while visiting the park. The top four summer activities are nearly identical to the 2009 survey results with slight differences in ranking. Nature/Wildlife Viewing was the most popular activity in surveys conducted from 2004 to present and is on a consistent upward trend. RV/Trailer camping made the largest percent gain from the 2009 survey. SPHST has made a concerted effort to improve campsites and expand amenities and this appears to be reflected in activity levels. Hiking/Walking Trails and Picnicking round out the top four activities, this is consistent with previous surveys. Percent participation in winter activities showed a decline in the most recent survey year, but the comparison of top activities remains consistent. This could relate to visitors participating in a single activity during winter visits rather than multiple activities. Ice fishing continues to be a very popular winter activity and this is reflected in the survey.

### Question 16a. Primary Activities

A new question for 2014 was to ask visitors to select their primary activity from the list of activities they participated in. The results for winter and summer are shown below.

<i>State Park Most Frequent Primary Activities</i>	
Summer	Winter
1. RV/Trailer Camping	1. Fishing
2. Fishing	2. Nature/Wildlife Viewing
3. Motorized Boating	3. Swimming/Soaking
4. Nature/Wildlife Viewing	4. Hunting
5. Tent Camping	5. Hiking/Walking Trails

### Question 17. How important are these management activities to you at State Parks?

Visitors were asked to rank the importance of management activities, facilities, and services on a scale of 1 (least important) to 5 (most important) on Questions 17, 18, and 19. The response rates on these questions were variable. Where responses were left blank they were treated as a no response and were not calculated into the overall ranking. Rankings of three or higher can be considered a priority for visitors.

Management activities which serve basic health and safety needs and/or protect the resource continue to be most important to park visitors. These activities consume the majority of financial and staff resources.

**Question 18. What facilities/services do you like to see at State Parks?**

Visitors were asked to consider the importance of 39 facilities and services at State Parks. The results are mostly consistent with the 2009 summer and winter surveys. Top services include features which facilitate orientation and circulation at parks such as directional signs, visitor centers and parking. Rounding out the top amenities are picnic areas and trails.

Developed campgrounds were within the top two facilities/services in the 2004 and 2009 surveys. In the 2014 survey this specific option was not available on the survey. The more specific options of RV Sites with water/electric and tent sites were included in 2014 and had an importance ranking over 3.

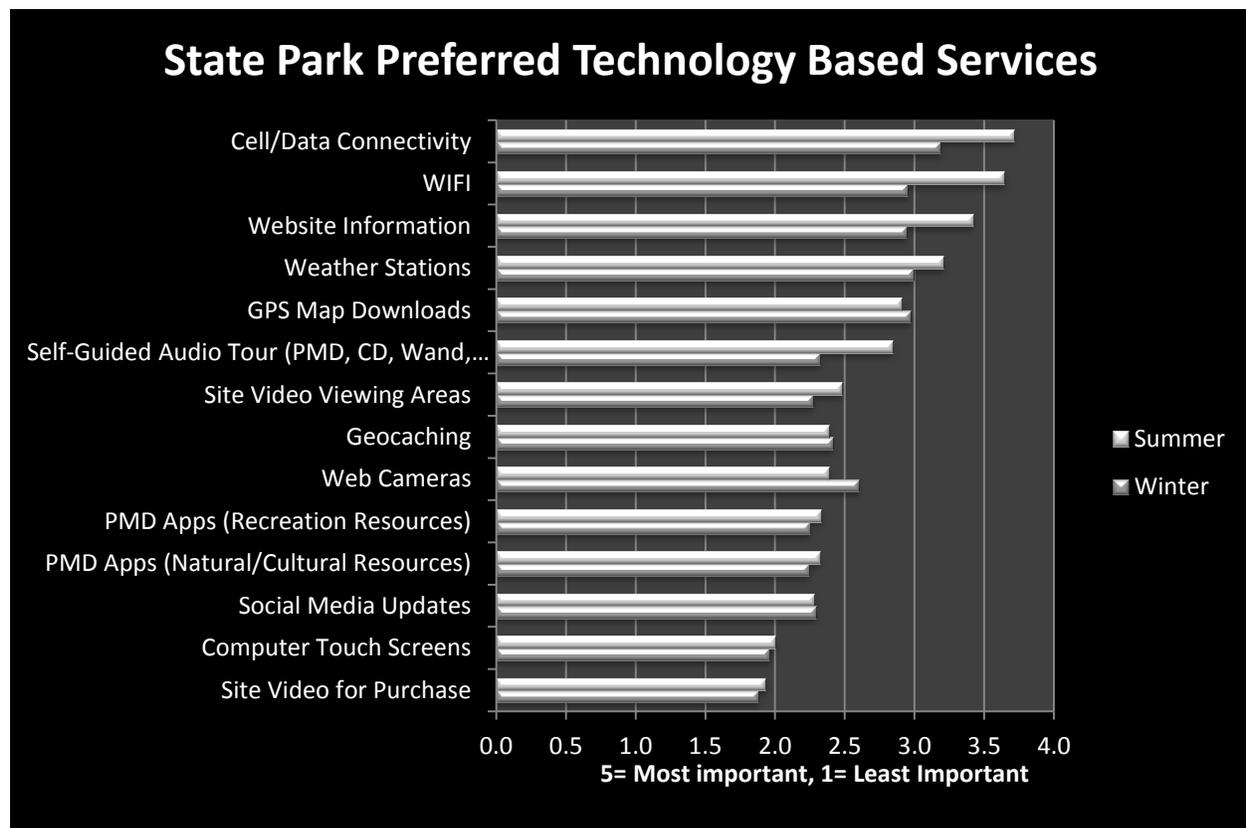

# State Park Facility Importance

## Question 19. What types of technology based services would you like to have available at this type of State Park?

Technology based services include personal mobile device (PMD) connectivity and SPHST developed media which may be delivered via PMD or through on-site equipment such as sound posts or computer touch screens. Visitors surveyed consider cell and data connectivity and WIFI the most important technology based service at parks. Website information, weather stations and GPS map downloads were also preferred. Personal mobile devices, including smart phones, have a dramatic impact on park and visitor behavior and expectations. This use will only continue to grow both in terms of number of users and in application of the technology. A high percentage of our customers have personal mobile devices which can be used during all phases of the visit. This can include pre-planning, onsite planning, activity participation and sharing information about the park upon returning home.

On this question, an option of none was also included. If visitors considered no technology as most important (rank of 5) they typically did not rank other technology based services. On the survey, this option functioned like a separate question. With this in mind, the frequency of responses of most important (or 5) was summarized and compared to the average response for all technology based services. Both of these analyses showed the same preferences. The response of none was chosen as most important by about 5% of the summer park visitors and had an average preference of 3.3 on a 5 point scale. For the winter survey, the option of none had preference rating at 3.6 and was chosen by 12% of park visitors.

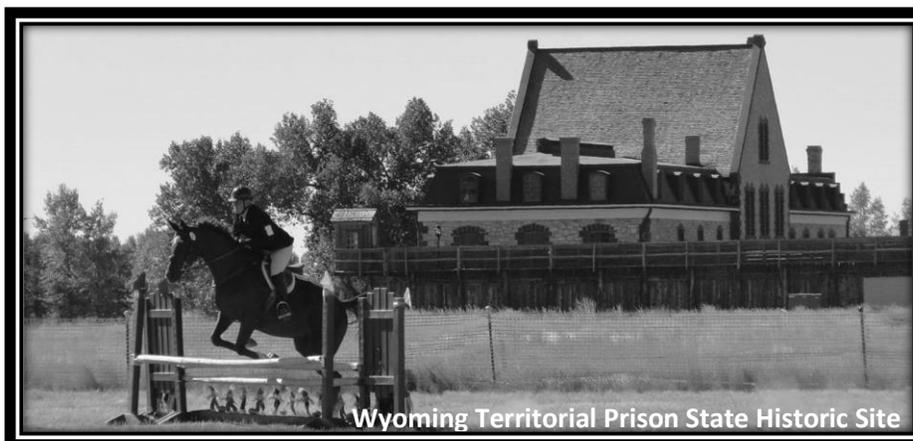

## Historic Site Results

Over 1500 surveys were collected at Wyoming historic sites. For the summer survey nine out of the twelve historic sites met or exceeded collection quotas. Two historic sites, Fort Fetterman and Pioneer Museum had limited management due to funding mechanisms and fell short of the quotas. Quotas were also not met at Fort Phil Kearny. Given the number of survey responses, the Fort Phil, Fort Fetterman and Pioneer Museum data have a +/- 10% sampling error for a 95% confidence level. The Fort Phil Kearny data has a +/-10% sampling error for a 75% confidence level. We did compare data for these historic sites from the 2004 and 2009 surveys and it appears to be consistent with the 2014 data. A limited number of sites collected surveys during the winter seasons as several sites are closed (Fort Steele, South Pass City and Fort Fetterman) and others have limited management where only the grounds are open and/or facilities are only opened up for special winter events. The utility of the winter historic site data for evaluating the contrast between winter and summer demographics and opinions is limited at this point. However, for the sites which did complete surveys, this information can provide useful site specific data.

## Historic Site Visitation

Approximately 300,000 visitors come to Wyoming historic sites each year. Visitation is highest in the summer months. However, historic sites do have a spike of visitation in September due to school tours.

<i>Winter and Summer Visitation for Historic Sites</i>					
	Summer	Percent of Total	Winter	Percent of Total	Total for Year
<b>2013</b>	256,935	89%	31607	11%	288,542
<b>2014</b>	258,413	85%	45378	15%	303,791

### Question 2. Have you visited this Historic Site before and how many times will you visit this site?

Almost 70% of visitors to historic sites are coming for the first time. This is consistent with the number of planned trips to historic sites, the higher percentage of out of state visitors, and the tendency for these sites to be considered a stopover rather than a destination. South Pass City is one site which consistently has an almost equal number of repeat and new visitors.

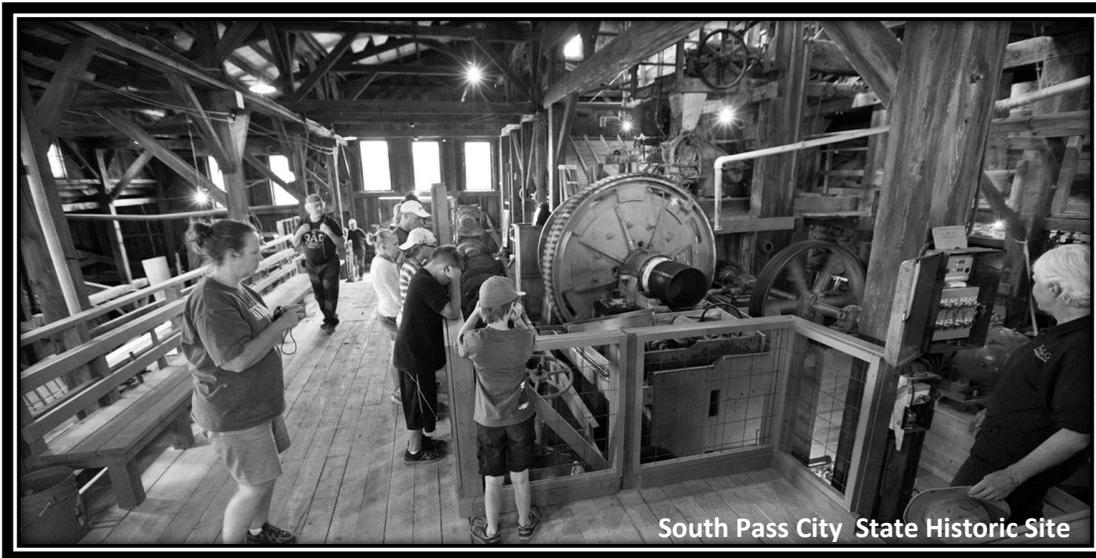

Cultural heritage tourists are reported as a growing segment in the travel industry. The most recent Wyoming Overnight Visitor Profile indicates visits to, as well as an interest to visit museums, historical sites, and native American sites increased in 2014 (Strategic Marketing and Research Insights, 2014). Most historic sites capture visitors for a half day or less. Several strategies to increase interest, length of stay, and repeat visitation are being employed including youth programming, events, and trails. Development of camping opportunities may be appropriate at (or in partnership with adjacent landowners) some historic sites.

**Question 3. Do you have an annual permit?**

While annual permits are valid at historic sites, visitors to these sites are more frequently from out of state and are significantly less likely than state park visitors to hold annual permits.

**Question 4. Did you have contact with site staff? If so, how helpful were site staff (new question in 2014)?**

Historic site visitors typically have contact with site staff at entry points, within the site and upon exiting. Customer satisfaction with those interactions remains very high with 100% of customers considering staff very helpful or fairly helpful. Field staff at our historic homes, the Governors’ Mansion and Trail End, were considered to be very helpful by 98% of visitors. All historic site staff are clearly providing outstanding customer service.

**Question 5. Who are you traveling with?**

Historic site visitors are frequently traveling with their families. Over the past ten years, visits by family units appear to have declined slightly. An approximately equal number of visitors are traveling alone or with friends. As Baby Boomers continue to retire, the trend of seeing more people travelling alone or with friends is worthwhile to consider when developing marketing materials and on site amenities.

<i>Traveling With to Historic Site?</i>

Group	7%	3%	7%	5%		4%

**Question 6. How many people are in your vehicle?**

The average number of people in vehicles has declined in the most recent survey, but is consistent with results from 10 years ago.

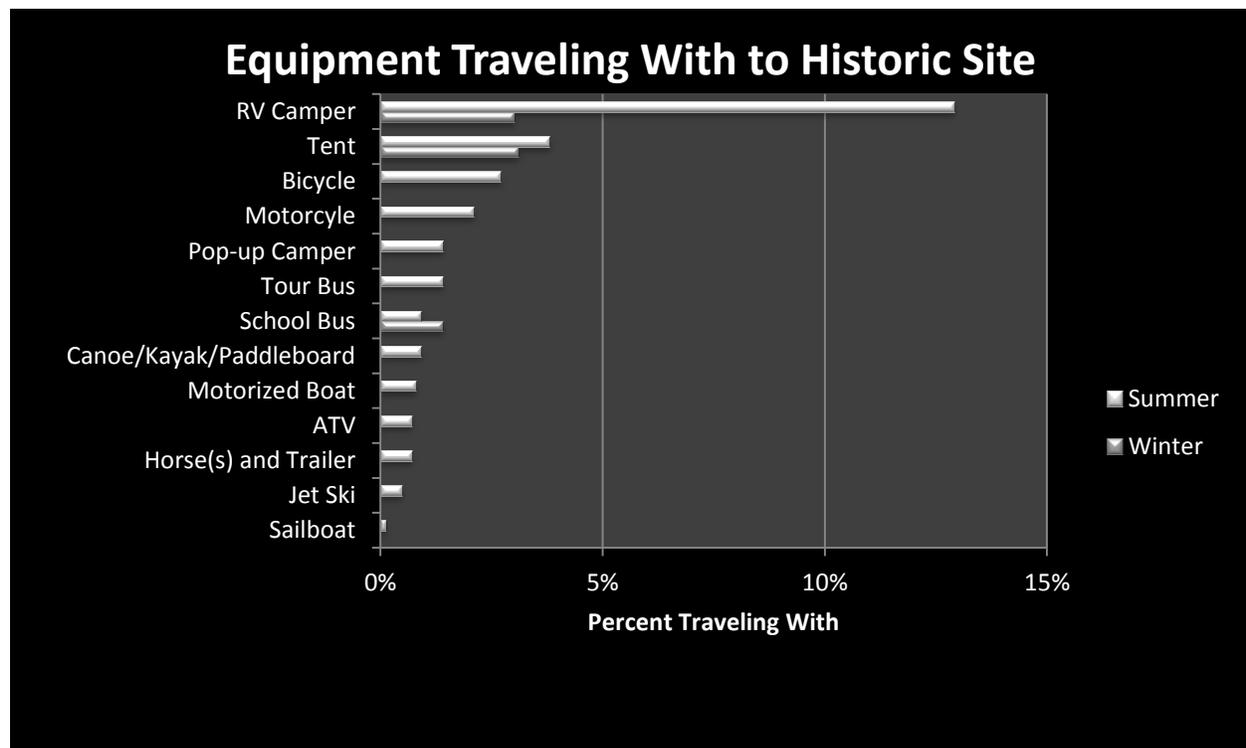

<i>Number of People in Vehicle (Historic Sites)</i>				
	Summer			Winter
Survey Year	2004	2009	2014	2014
Vehicle Occupants	3.45	4.27	3.49	3.16

**Question 7. Indicate your age and the age of people you are traveling with?**

The average age of visitors to historic sites is 42. This is slightly younger than what was reported in 2009 (46). Visitors to historic sites, on average, are seven years older than visitors to state parks.

**Question 8. What equipment are you traveling with (choose all)?**

Visitors were asked what equipment they were traveling with. The most frequent equipment was an RV Camper which was reported by 13% of the visitors. This was the most frequently cited equipment in the previous surveys as well, but there is a significant drop from both 2004 (over 50%) and 2009 (25%). Given that historic site visitors are frequently travelling with camping equipment may support development of these amenities.

**Question 9. Where are you from?**

Approximately 2/3 of visitors to Wyoming historic sites are from other states. Of the nonresidents our most frequent visitors are from Colorado, Utah and California. Visitation is distributed across the remainder of the fifty states with the only unrepresented states being Delaware, New Hampshire and Rhode Island. International visitation at historic sites has remained constant.

<i>Where are Historic Site visitors from?</i>

Other Country	5%	4%	4%	4%		0%

**Question 10. How did you find out about this Historic Site (choose all)?**

Visitors to historic sites frequently identify more than one source for finding out about the sites. The top four methods are consistent with previous surveys. For historic sites, way finding and triggers (such as intriguing billboards or well-placed directional signs) to get people to stop are an important marketing tool. As an agency, it is worthwhile to evaluate highway signs leading people to historic sites from both directions and whether they are placed where travelers have time to consider and make the decision to visit. As would be expected, the use of websites continues to increase and this use is more popular

among historic site visitors than state park visitors. For historic sites, there is an opportunity to take websites beyond the basic information of location and hours of operation, to market and interpret the on-site resources. A well-developed website can function as a virtual tour for those who are not able to visit and keep those who have visited before engaged with site happenings.

Historic site visitors noted several more detailed sources of information used to find out about the sites including travel and history books, AAA print material, local tourism magazines, and Trip Advisor. Both state park and historic site staff are actively involved in local tourism efforts. These efforts serve to promote our sites by word of mouth and local promotional materials.

### **Question 11. Is this site the main destination of your trip?**

Visits to historic sites are most frequently considered a stopover as part of a longer trip. This is consistent with previous surveys. Destinations typically include an overnight stay and capture people for more than 8 hours. Under standard operation, our historic sites are not set up as this type of attraction. However, during special events many of our sites do become destinations.

<b><i>Main Destination (Historic Sites)</i></b>

<b>Destination</b>	27%	23%	26%		40%

**Question 12. If not, a destination, how can we make it one? (See Appendix E)**

This open ended question was added in 2014 with the intent of gaining new ideas we may not have considered. Suggestions to consider included more events, adding campgrounds, and engaging youth. The responses are included in Appendix E.

**Question 13. How long was your stay at this site (in hours)?**

The average length of stay at historic sites decreased since the previous survey. Visitors are staying longer than this average at South Pass City, Fort Bridger and Wyoming Territorial Prison. These sites have extensive grounds, offer site tours, have completed historic restoration and made features available to the public, and have added new exhibits.

**Question 14. What is your preference for securing a campsite ?**

Questions 14 is not applicable to historic site visitors and was included to capture opinions of those visiting state parks.

**Question 15. Have you used the State Parks reservation system? If so was the system easy to navigate (new questions in 2014)?**

A limited percentage of visitors to historic sites have experience with the reservation system. Over ¾ of those who use the system find it easy to use.

***Reservation System Users and Ease of Use***

<b>Season</b>	<b>Summer</b>	<b>Winter</b>
<b>Survey Year</b>	<b>2014</b>	<b>2014</b>
<b>Used System (% Yes)</b>	13%	7%
<b>Easy to Use (% Yes)</b>	68%	83%

**Question 16. What activities did you participate in while here?**

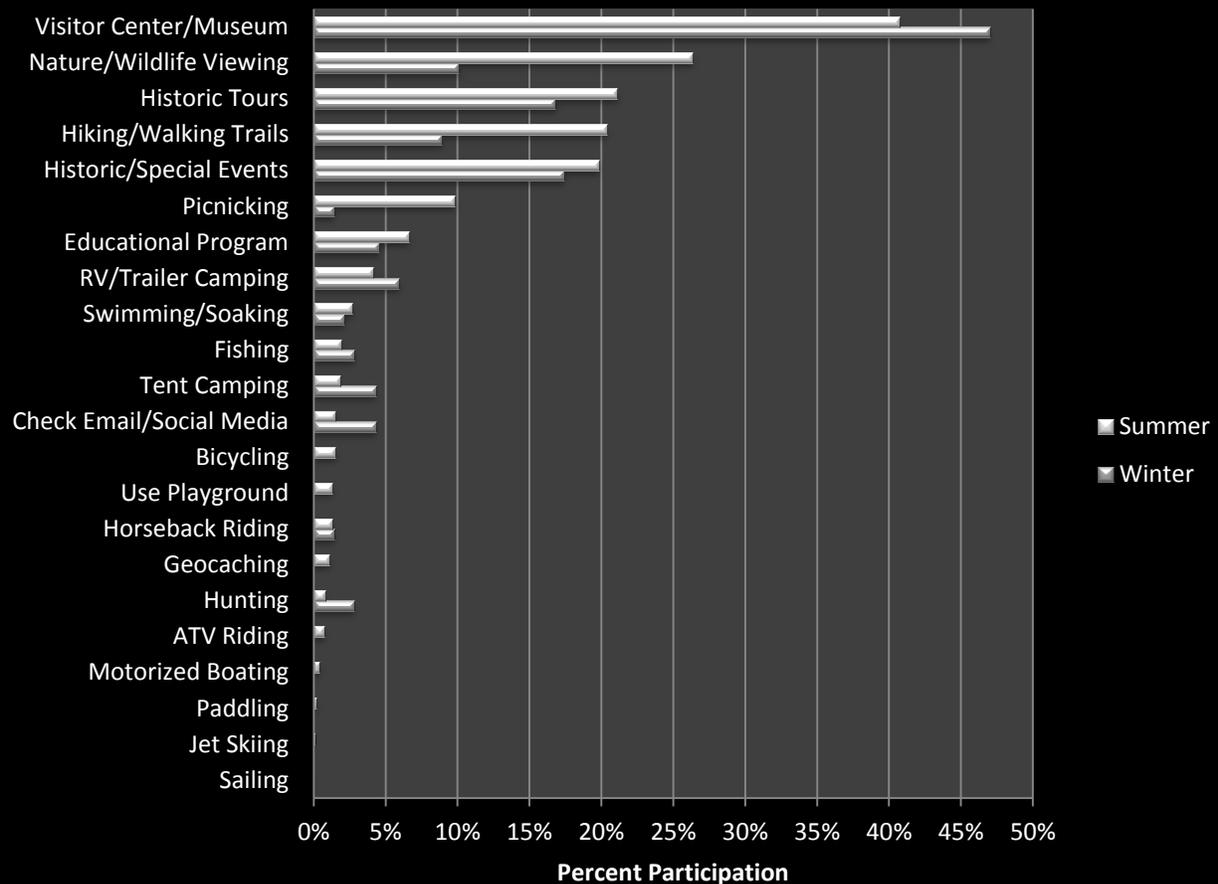

The top activities which visitors participate in are consistent with previous surveys. Percent participation in the top activity has consistently declined since 2004. This may indicate visitors are diversifying the activities participated in at historic sites. Activities related to experiencing both cultural and natural resources as well as those which embrace an active lifestyle (hiking and walking) are important to historic site visitors. Again, since the previous survey we have expanded amenities beyond the visitor centers/museums to include new interior and exterior exhibit spaces and trails.

## Historic Site Activity Participation

**Question 16a. Primary Activities (new for 2014)**

Visitors were asked to choose their primary activity or the main reason for their visit. The top five responses for summer and winter visitors are listed below.

<i>Historic Site Most Frequent Primary Activities</i>	
Summer	Winter
1. Historic/Special Events	1. Visitor Center/Museum
2. Visitor Center/Museum	2. Historic/Special Events
3. Historic Tours	3. Historic Tours
4. Nature/Wildlife Viewing	4. RV/Trailer Camping
5. Hiking Walking Trails	5. Hiking/Walking Trails

**Question 17. How important are these management activities to you at Historic Sites?**

Management activities which support understanding and maintenance of cultural resources are considered the most important at historic sites. Maintenance activities and cleanliness of the built environment and grounds are also important. Visitors at historic sites value taking care of wildlife habitat and the opportunity to spend time on trails. These results are similar to previous surveys.

<i>Historic Site Management Activity Importance</i> (5 = Most Important, 1 = Least Important)					
Season	Summer				Winter
Survey Year	2004	2009	2014		2014

\*Wildlife Viewing was replaced with Maintain Wildlife Habitat; Trails were replaced with Trail Maintenance in 2014

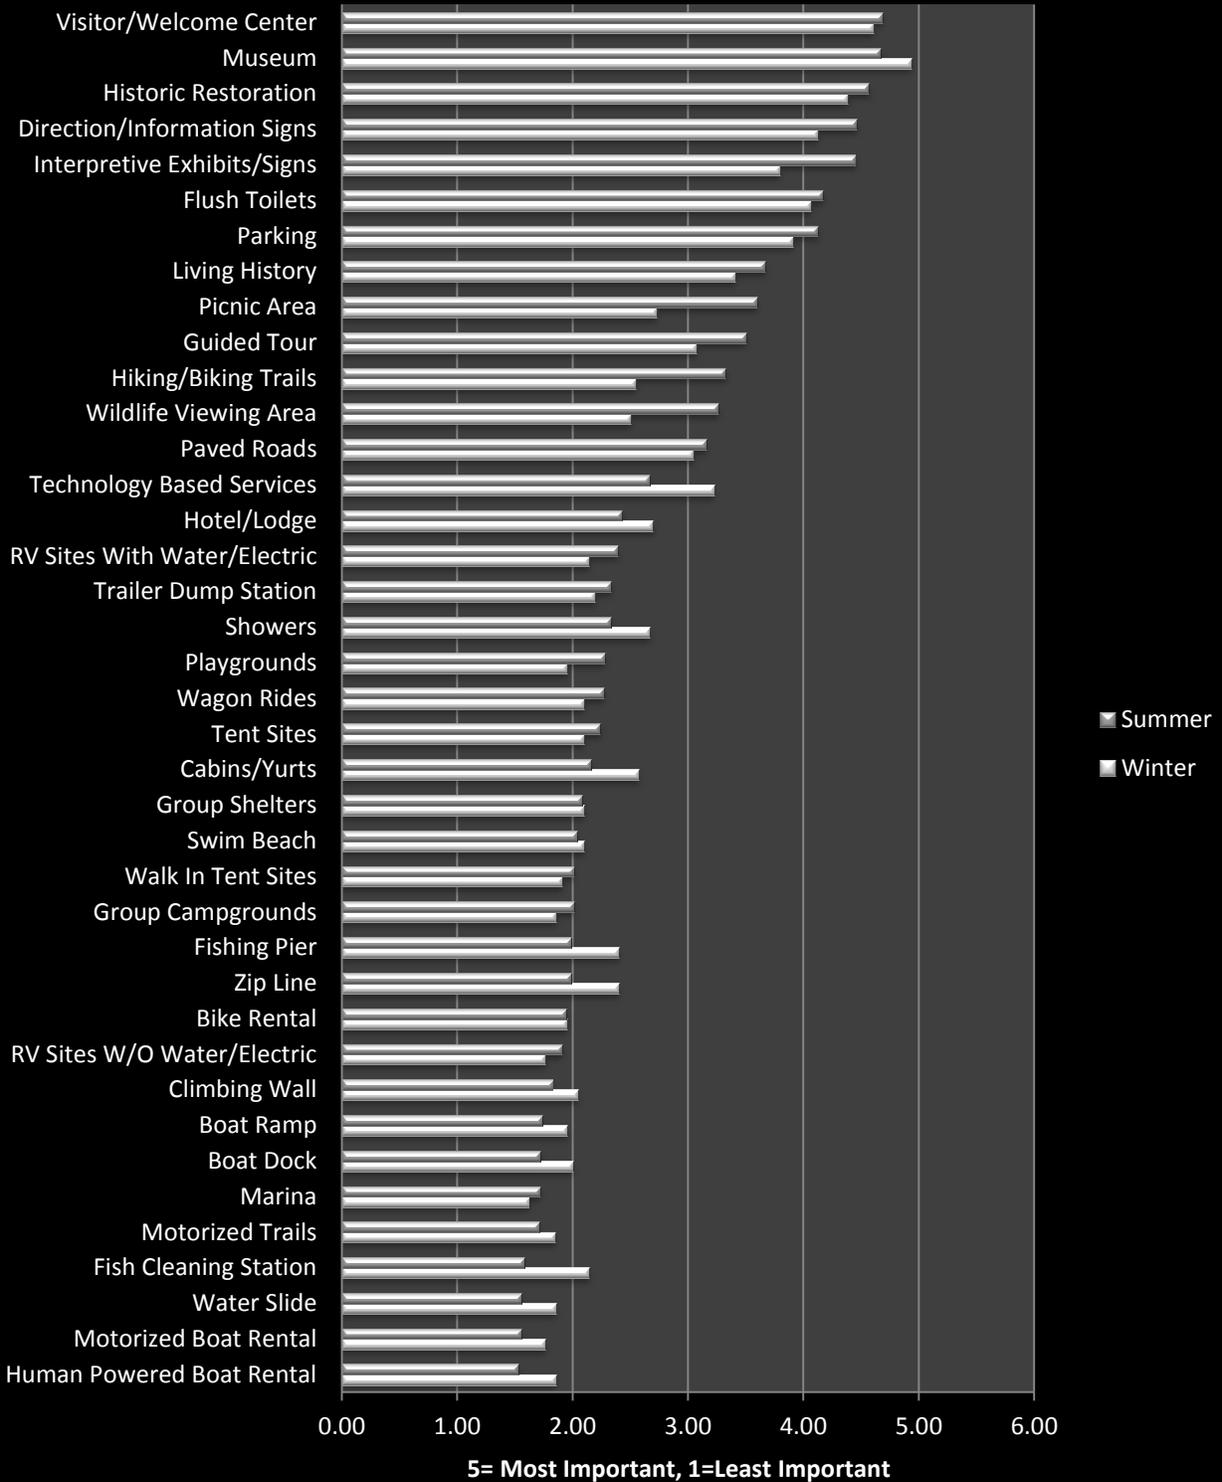

**Question 18. What facilities/services do you like to see at Historic Sites?**

Visitors were asked what types of facilities and services they like to see at historic sites. Facilities with a rank of 3 or higher can be considered a high priority. Most of the priority facility/services are available at historic sites. Other facilities, such as trails, are available where the setting is appropriate or they are continuing to be developed. The agency has some historic sites which are just beginning to be developed and the priorities presented here are a useful planning reference.

# Historic Site Facility Importance

**Question 19. What types of technology based services would you like to have available at this type of Historic Site?**

Technology based services may include media accessed through personal mobile devices (cell phones, tablets etc...) or equipment installed at the historic site. These services also include connectivity for PMDs. The purpose of the technology may be for personal convenience (i.e. phone calls or web access), way finding, or interpretation. Cell/Data Connectivity and Website Information are technology based services which visitors prefer. The availability of these services at our sites is variable. Some sites have great cell and data coverage and others, especially unstaffed sites do not.

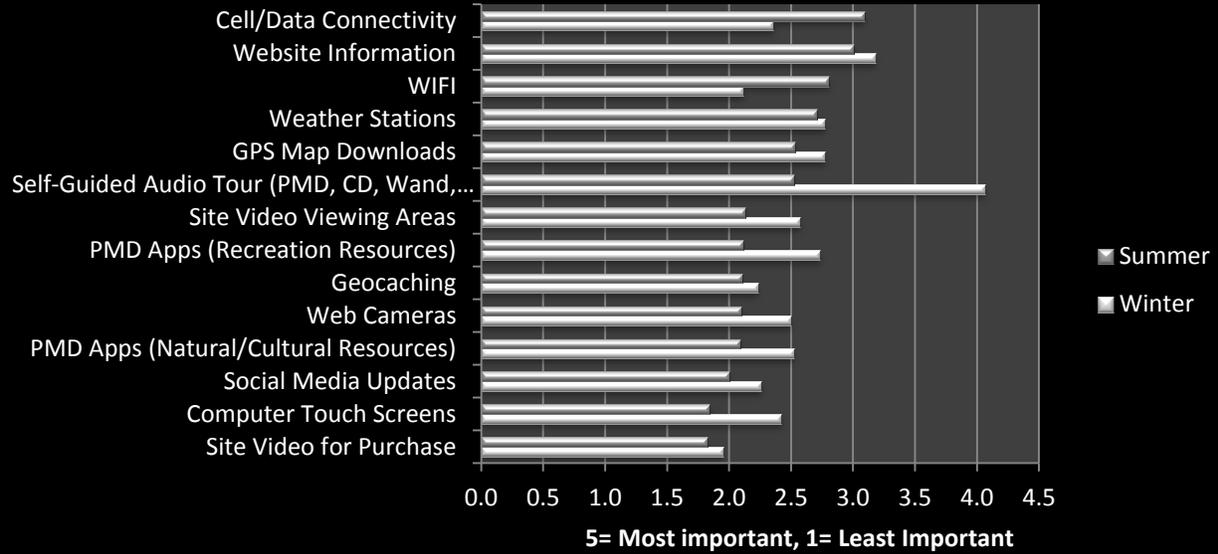

A variety of technology based applications have been utilized at historic sites including audio tours broadcast by sound post or compact disc, site videos with viewing areas, and computer touch screens. Trail End State Historic Site launched a new audio tour utilizing handheld media players which are checked out to visitors. The visitor comment on this application (Appendix G) is incredibly complementary and positive. This example can serve as a model for other historic sites and the success is not just based on how it is broadcast, but the quality of audio and content.

On this question, an option of none was also included. If visitors considered no technology as most important (rank of 5) they typically did not rank other technology based services. On the survey, this option functioned like a separate question. With this in mind, the frequency of responses of most important (or 5) was summarized and compared to the average response for all technology based services. Both of these analyses showed the same preferences. The response of none was chosen as most important by about 42% of the summer historic site visitors and had an average preference of 3.85 on a 5 point scale. This contrasts with the preference to have technology at state parks and could relate to the fact that visitors are not staying for more than a few hours, the idea that technology may be in conflict the historic site experience and the older demographic may not be as reliant on these services.

Site Type	Site Name	Additional Comments
State Park	Bear River	Love this place. Air conditioned or heated as need be. Clean restroom. Fountain and labeled taxidermy great. Old license plates & postcards with stamps Great Deal. Staff always friendly, knowledgeable, & very informative. Bison & elk viewing areas great. Playgrounds, shelters, pull-out picnic spaces great. Being able to reserve shelters great.
State Park	Bear River	lovely!
State Park	Bear River	more history
State Park	Bear River	Most of my desires have to do with RVing & sightseeing
State Park	Bear River	Need more RV sites with water & elec. More room to park a vehicle by your RV. Bathrooms with water elec & showers. If we have to pay this much to camp, we should have decent bathrooms.
State Park	Bear River	Nice place for family picnic
State Park	Bear River	nice place to visit it is always clean here. love the wildlife
State Park	Bear River	None at time time
State Park	Bear River	Not to much into tech at natural sites.
State Park	Bear River	Our first visit to this site, your staff member was excellent- we will be adding this to our "places to take visitors" site.
State Park	Bear River	Outstanding info/visitors center & staff member (Kendra) Thanks!

State Park	Bear River	Thanks so much - nice place- from Oregon coast
State Park	Bear River	Thanks very for your help!
State Park	Bear River	Thanks-beautiful little park!
State Park	Bear River	The park is awesome get away that is handy for so many Evanston residents-Thank you
State Park	Bear River	The woman at the welcome center was very friendly, and knowledgeable of the area and of the animals and how they got to be guest of the information center. It would be nice to have written information about how the animals go to be placed at the information center-note that the animals were killed for purpose.
State Park	Bear River	There needs more native plants. Improve the trail you have. Fire pits and picnic areas. Horse back riding with historic tours.
State Park	Bear River	This is an awesome state park with awesome employees!
State Park	Bear River	This park is awesome
State Park	Bear River	This park is wonderful. I love being able to come and see all the wild animals. Keep up the great job.

State Park	Bear River	Very nice. I want to come back & spend more time here.
State Park	Bear River	Very well done-The community should be proud of the entire facility.
State Park	Bear River	Very well up kept. Very awesome
State Park	Bear River	We enjoyed being here
State Park	Bear River	We have come for years and will continue to do so it's a lovely park and hope it stays that way.
State Park	Bear River	We like the park the way it is! Sometimes it would be nice to have more parking!
State Park	Bear River	We lived in R.S. all our life and last 10 yrs visit thru here for DRS. in Utah. It's a must to stop here. Thank you.
State Park	Bear River	We love all scenery & life that here. Our daughter 9 loves it.
State Park	Bear River	We love coming to the BRSP and always bring our family here to visit when they come. I love walking/running trails & work out equipment around the river-thanks for keeping it maintained in the winter.
State Park	Bear River	We loved the visitor centers! Loved the stickers and the designed maps.
State Park	Bear River	We really liked being able to see the buffalo!
State Park	Bear River	We so enjoyed visiting and seeing surrounding area-hope to return next year.
State Park	Bear River	Will check internet info for location, weather, hiking & overnight camping.
State Park	Bear River	You are doing a great job-you are helpful and kind.
State Park	Bear River	You guys rock
State Park	Bear River	Your staff is very helpful and extremely nice. Thank you .
State Park	Boysen	1. We reserved site #63 based on your www site that it was suitable for 40' RV- It was not. Please have your camp host assist your IT folks in getting correct Info on your web site! Host Sharon redirected us to a suitable open site, nice person! My wife and I have campground hosted in several states and sites selection criteria for Big Rigs needs your attention! Will Return, Thanks,
State Park	Boysen	All of the above are are important
State Park	Boysen	All these don't apply with no cell service. This is camping not a hotel.
State Park	Boysen	Allow group camping
State Park	Boysen	As of now still observing no comment yet
State Park	Boysen	Awesome
State Park	Boysen	Awesome park! Wish we had more time.
State Park	Boysen	Awesome site
State Park	Boysen	Beautiful Park! Would love to come back.
State Park	Boysen	Beautiful park, green lawns, nice trees, clean restrooms.
State Park	Boysen	Beautiful Site!
State Park	Boysen	Betty at the gate was very helpful. Sharon the host was friendly & also helpful. I also left a message on machine & Rick called me back & answered all my questions. Would be nice if sprinklers did not come on Mon-Fri. for tent camping.
State Park	Boysen	Boysen is a great site
State Park	Boysen	By the end of the summer sides of the paved road from highway for campsites is littered with dog poop, disgusting. Booth personnel could hand out info especially to dog owners, to pick up after pets and hand our bags. Some of the worst offenders are in the Marina trailer park, I know as we are here frequently in the summer. I have 3 dogs, carry bags at all times and clean up all their poop.The Park service could investigate and learn from the "scoop the poop" Casper campaign. Give away scoop and bags and attach to dog collar.

State Park	Boysen	Camp host Bob is fab!!! As is park ranger - great caretakers of our precious state parks.
State Park	Boysen	Camp host needs to be aware of all rules. Campsites should be numbered and non campsites should be marked. Website to purchase permits needs to let people know they need both day use season permit and camping season permit so people know to purchase both.
State Park	Boysen	Camp host needs to be told & updated on all rules & changes. Campsites should be numbered. Any campsite that is not a campsite should be marked. Website needs to be updated on all permits required to use both seasonal & daily use.
State Park	Boysen	Camp host very friendly & helpful
State Park	Boysen	Campgrounds need to be for bigger campers when you have a 40' campers it is sometimes hard to get it in places.
State Park	Boysen	confusion with acceptable fire rings. Does it have to have a bottom or just a ring?
State Park	Boysen	Dead trees removed and other need trimmed. Some are not safe to park by.
State Park	Boysen	Dog friendly atmosphere is highly important to us. Fishing access is critical. Quiet campground. Nice staff.
State Park	Boysen	Doing a very good job. Keep up the good work.
State Park	Boysen	Don't like reserved spots. Should be allowed more than two cars @ site. Big families/groups have lots of people/vehicles. Camp host is great! Enjoyed her visits ;)
State Park	Boysen	don't make it as "modern."
State Park	Boysen	Don't turn Cottonwood into Tough Creek!
State Park	Boysen	Enjoy camping, like to have family together in campsites.
State Park	Boysen	Enjoying our stay. Posted water times would be helpful
State Park	Boysen	Extra fee of 6.00 processing fee online for Annual permit excessive to just mail it so we went to local sporting goods.
State Park	Boysen	friendly staff, lots of space. I grew up in Dubois, I have always loved coming here for school trips, camping fishing, etc.
State Park	Boysen	Good law enforcement-taking action ASAP
State Park	Boysen	Good place hopefully this helps in some way to make it even better. Thank You.
State Park	Boysen	Good place to relax and enjoy life
State Park	Boysen	Great care has been giving at tough creek. We appreciate the effort!
State Park	Boysen	Great clean bathrooms, are very nice. Would like more level camp areas and group camping. Great experience coming here. No technology needed. This is camping!
State Park	Boysen	Great Park!
State Park	Boysen	Great Park!
State Park	Boysen	Great! But how many surveys are there? It would be nice to have the concrete at the same level as the dirt!
State Park	Boysen	Group camping a zip line would be crazy sweet. love the clean bathrooms and dumpsters. more group camping areas.
State Park	Boysen	group parking in reserved sites if people want to camp close together as a party it would be nice to do so.
State Park	Boysen	I appreciate the grounds & restrooms are clean. And that even though its busy its always been possible to find a spot.
State Park	Boysen	I appreciate the park personnel checking on the camp ground on a daily basis.
State Park	Boysen	I don't think it's important to have technology along when camping. But well kept campgrounds, toilets, nice walking paths, clean very important. Dump stations please!!
State Park	Boysen	I like Boysen reservoir. It is great on a hot day. I also like to go fishing.
State Park	Boysen	I like Cottonwood the way it is.
State Park	Boysen	I like that there are no cables strung between the posts. Hopefully people will abide by the rules of restricting their motorized use to designated routes and access points. This campground was well maintained, the hosts most hospitable and the restrooms were always in good shape-clean, well stocked and no pit toilet smell.
State Park	Boysen	I would like to see check-out time for 2:00pm as the national forest time is.
State Park	Boysen	If a emergency occurs call phone service is important

Appendix G. Summer Additional Visitor Comments		
Site Type	Site Name	Additional Comments
State Park	Boysen	If electric and showers were installed, people would extend their stay from 1-2 nights to possible a week. Also electric and showers would also bring more people and campers and fisher man to tough creek which equals more revenue for the parks.
State Park	Boysen	If you can't afford trash containers why worry about elec & water to sites and reservations are a bunch of BULL!
State Park	Boysen	I'm torn between liking having no phone access and wanting it.
State Park	Boysen	It would be nice to be able to use my cell phone so that I can tell my friends and family where we're camping and how to find me.
State Park	Boysen	Its been a few years since we've visited; improvements are noticeable and very appreciative! Grounds maintenance and road improvements especially are great!
State Park	Boysen	It's nice to have a break from technology
State Park	Boysen	Keep it natural as possible, but if you want more \$ & people, add things to get more visitors (zip line, climbing wall, etc.) Souvenirs?
State Park	Boysen	Keep the same Park Ranger, very friendly + nice
State Park	Boysen	Lack of water, dump station And garbage before about May 7th (2014) is a Bummer! Temps were in the 70s a week before and still no water, etc. Frost-free pipes (I have one in Alpine) shouldn't freeze!
State Park	Boysen	Leave the (west) side of the Lake alone. Curfews are horrible. West side is fine as is.
State Park	Boysen	Leave west side the way it is!
State Park	Boysen	Level RV Parking sites. More group camping. We like your clean bathrooms. :)
State Park	Boysen	Like the west side how it is.
State Park	Boysen	Love it here don't change much!
State Park	Boysen	Love this lake.
State Park	Boysen	more fire rings. Should be able to be at camp sites within 24 hr period
State Park	Boysen	more shade trees and bigger fire pits
State Park	Boysen	My wife and I use the facilities for their convenience while fishing for several days while living in our trailer and avoiding daily round trips from our home in Riverton.
State Park	Boysen	need a 911 call station in park
State Park	Boysen	Need ashtrays and a light by the boat docks.
State Park	Boysen	need bathroom at west end
State Park	Boysen	Need electric hook-ups to stay!
State Park	Boysen	Need more fire rings available- boat dock- peer- leave cottonwood group camping- should be able to be at your camper in a 24 hr time frame- I work nights.
State Park	Boysen	Need more park rangers for my protection (people) and their safety. To less park rangers (law enforcement) for size of Boysen area.
State Park	Boysen	Need to be more considerate of camping areas such as watering and tent areas at night. It's a nice park and should make campers comfortable by restricting watering
State Park	Boysen	Need to have dumpsters at all locations! Brannon boat ramp has none. The boat ramp is the most used of all! Without dumpsters in the area reverts to a dump site! P.S. Campground hosts at Brannon (Nancy & Joe) are a valuable asset to the state-they do better work to facilitate the Brannon area than the State employees!! (Reward them for long-term service!!!)
State Park	Boysen	Need trash bins on both ends of camp ground as well as bins in the middle. Bathrooms very clean-thank you! :) Thanks all
State Park	Boysen	nice
State Park	Boysen	Nice access, need showers & flush toilets.
State Park	Boysen	nice and clean
State Park	Boysen	Nice and peaceful. Thank you very clean!
State Park	Boysen	Nice campsite on river. Helpful and friendly staff at the Boysen's S.P. Office.
State Park	Boysen	Nice place lets get an ice station and free fire wood.
State Park	Boysen	No group camping for family's
State Park	Boysen	none

State Park	Boysen	nothing else for now
State Park	Boysen	number bt camping sites
State Park	Boysen	Open season on wolves
State Park	Boysen	Pave road to Fremont Bay Ramp
State Park	Boysen	People get harassed by booth personnel to pay just to visit the marina.
State Park	Boysen	Please keep the westside of the lake the same I have grown up on this lake and we used to always visit tough creek now I refuse to go to that portion of the lake. I feel it takes away from being able to have group camping trips and those are the best memories pf my childhood.
State Park	Boysen	Please open all restrooms! Need fire pits on all handy cap sites!
State Park	Boysen	Prefer no street lights, or lights with no spill. Remove trees marked for removal.
State Park	Boysen	Quit running this place like Colorado Use discretion in enforcement!!!
State Park	Boysen	Really have enjoyed all the up-grades to this campground.
State Park	Boysen	Rest Rooms Very Clean
State Park	Boysen	Roads going to Cottonwood Bay needs a big improvement the holes are terrible. We who residents pay a good amount of money to have this for family use.
State Park	Boysen	Serious bug problem needs sprayed
State Park	Boysen	Should not be a fee for day use, NEED more fish stocked
State Park	Boysen	showers would be nice
State Park	Boysen	So many people fish at the spill way by the dam but unless you are young enough to climb you can't. Would love to have an accessible path for older people to fish there also!
State Park	Boysen	Some of our group need electric for health reasons like cpap & oxygen
State Park	Boysen	Standardized AIS inspections on and off the water.
State Park	Boysen	Surfacing on playground is pretty low, potential danger to playing kids.
State Park	Boysen	Thank You
State Park	Boysen	Thank you for friendly camp host & excellent conditions
State Park	Boysen	Thank you to Jerry for all his help.
State Park	Boysen	Thank you!
State Park	Boysen	Thanks nice quiet place. We'll be back.
State Park	Boysen	The hosts of this campground take exceptional care in keeping rest rooms & campsite areas clean. However tp in men's barn. An emergency phone station that would dial out to 911 or the rangers would be great. We paid 3 nights, 1 camper, 2 vehicles, there was only one tag on pay envelope so only had 1 tag & rangers came to door at 10pm to ask for 2nd tag but sign & pay envelope says 2 vehicles are included in fee. Very confusing. New or painted benches.
State Park	Boysen	The less tech while camping, the better in my opinion.
State Park	Boysen	The nice lady who brought this form needs a raise and is one of the Parks best Assets. Camp Host is Nancy
State Park	Boysen	The online reservation site did not allow us to complete/save the reservation. The site indicated the site was reserved when we tried again.
State Park	Boysen	The people at the sites mentioned above were very nice as usual. The headquarter crew was busy up to their knees in a water repair so they sent me down to Betty who is always friendly and helpful.
State Park	Boysen	The west side of the lake is the only side to visit that friends and family can park and have events on the beach. Great family memories.
State Park	Boysen	This campground needs smaller trash receptacles & fresh water faucets @ RV/Trailer sites. There is one site @ camp that we really like. Some of the sites don't have enough all-day shade. Bathrooms need better & more frequent maintenance after camp hosts leave-at least until hard freeze and/or leaves fall.
State Park	Boysen	This is a great place. Keep up the good work.
State Park	Boysen	This site may become too popular if "R.V." amenities are provided. The cost to upgrading will necessitate maximizing site numbers which would make it a parking lot- kind of a catch all.
State Park	Boysen	Trees need trimmed & some removed. Some trees are so bad you do not want to park beside

		them.
State Park	Boysen	Tribe members shouldn't have to pay to camp when its on the Wind River Reservation.
State Park	Boysen	trim trees at dump station
State Park	Boysen	Upper Camp ground Boysen State Park. We enjoyed camping with the Good Sam's Group. The restrooms were clean. The garbage was picked up. We had ten togs from Casper, WY we were here 8-6-14 till 8-10-14. We had so much fun. We love this camp ground. Many thanks for providing this lovely camp ground.
State Park	Boysen	very clean and scenic good job
State Park	Boysen	Very nice campground. Friendly hosts. Nice park employers. Well-maintained. We would definately constider returning.
State Park	Boysen	Very nice park, friendly, helpful staff, well kept campground and restrooms.
State Park	Boysen	Very nice-Staff very helpful
State Park	Boysen	Very, Very Clean!!!
State Park	Boysen	We always have a good time here. We just wish there were more fish or I was a better fisherman. I thing I like it just the way it is.
State Park	Boysen	We are always drawn to this site. Have been stopping here for years. Of all the states, Wyoming has the best maintained parks rest stops etc. Thanks!
State Park	Boysen	We enjoyed the campsite's accessibility and the courteous attitude of the people here, the camp was clean as well as the best rooms. Thank you for an enjoyable stay!
State Park	Boysen	We go to Hot Springs State Park daily for walks and 3xweek to swim in the mineral water. It would be a real hardship to have to pay to go there. My husband has bad back & I have arthritis the mineral water helps a lot! Hope & pray that don't change!! We don't need a water park replacing our mineral pools!! Also, thank you to the people who work in our parks for their hard work & dedication to keep them beautiful.
State Park	Boysen	We informed care taker of ant problem and within 15 minutes she was spraying ants-very cooperative in taking care of matter.
State Park	Boysen	We like to have a few campsites at different places for traveling people that don't know exactly where they are stopping. We tried the website for a campsite and everything was booked. Like the idea of first come first serve for at least some campsites just for traveling purposes.
State Park	Boysen	We love it!
State Park	Boysen	We love the peace and tranquility we get now!!!
State Park	Boysen	We use this as a annual camping trip for our family. Our family consists of grandparents, kids, grand kids & great grand kids. We love being near the water. Great place & will be back next year.
State Park	Boysen	We would like to circle the wagons for gatherings & more campers per spot. Also level off areas better at current spots. Beautiful time though.
State Park	Boysen	we would like to see an emergency call box close. We did have an emergency this time but when we did get response it was great. Kudos to all the law enforcement & the hospital staff in Thermopolis.
State Park	Boysen	Wish there was more to do here.
State Park	Boysen	Would like group camping on east side.
State Park	Boysen	Would like some sort of emergency communications in case of emergencies.
State Park	Boysen	would like to see pay phone in case of emergency
State Park	Boysen	Would love to see campground remain as pristine & natural as possible!
State Park	Boysen	Would love to see electrical hook-ups in the park. With todays technology that would help the traveling public
State Park	Buffalo Bill	A dog run or exercise area would be good and help with the leash rules.
State Park	Buffalo Bill	A very nice kept park
State Park	Buffalo Bill	All I needed was warmer weather. Trash receptacle was locked in 2nd campground ok in 1st
State Park	Buffalo Bill	As a group from both Casper and Germany having language options for information (tours, etc.) would be very important to us to see in the future.
State Park	Buffalo Bill	Beautiful

State Park	Buffalo Bill	Beautiful park
State Park	Buffalo Bill	bench around playground area for parents to sit & watch children
State Park	Buffalo Bill	Build a shower house
State Park	Buffalo Bill	Cars go too fast through campground!! 30mph is too fast! Small children everywhere! Friendly host!!
State Park	Buffalo Bill	Change the sprinkler timer so they don't come on in the morning.
State Park	Buffalo Bill	Cindy & Paul-Excellent campground hosts-very pleasant & helpful, always ready to help people plus hard-working. Bill was terrific-very helpful & professional-excellent job! Sam & Pat both friendly & helpful. Love view of sheep Mtn.! Enjoyed Wildlife variety of birds, deer, & pronghorn.
State Park	Buffalo Bill	Enjoy the number of campgrounds in WY and the helpfulness & friendliness of people.
State Park	Buffalo Bill	found everyone to
State Park	Buffalo Bill	Great Park Thank you
State Park	Buffalo Bill	great park! Loved our stay! Will return.
State Park	Buffalo Bill	Great personnel at toll both!!
State Park	Buffalo Bill	Had a great time! be back soon! Just maybe make paths to the river?
State Park	Buffalo Bill	Had a pleasant stay-Thank you
State Park	Buffalo Bill	Have an enjoyable fee employee if you are paying them to be there! Benches in playground area
State Park	Buffalo Bill	It would be so nice if you would give the WY residents a fair chance at using our state parks and making reservations for the electric sites! We buy annual permits and yet we're penalized!
State Park	Buffalo Bill	Keep all Wyoming from becoming commercialized!
State Park	Buffalo Bill	Keep it simple! Keep it clean! Keep it Wyoming!
State Park	Buffalo Bill	Kids stayed in tents-sprinklers came on in the middle of the night-signs do not say what they mean.
State Park	Buffalo Bill	leave it like it is. It was just right. Appreciate the help of the person at the gate (Pat). My only suggestion would be: 1) Level up sites a bit and 2) make more of a fire-free zone around camping ring. I was a little nervous with the constant wind.
State Park	Buffalo Bill	Leave things as they are!!
State Park	Buffalo Bill	Like it how it is
State Park	Buffalo Bill	Maintain volleyball site at Buffalo Bill State Park-full of weeds. Allow reservations the option of switching sites if better site is available.
State Park	Buffalo Bill	Make your camping sites level-longer easier for the new RV to get into. No reservations. Keep tents in tent areas only not to take up large campsites. Keep dogs on leashes no one wants to maintain this law!! Have notices for people not to cross (shortcut) into another campsite.
State Park	Buffalo Bill	More walk in tent sites! One-way is confusing. The bathrooms are great but water is only cold.
State Park	Buffalo Bill	Nice campground-would love wifi!)
State Park	Buffalo Bill	Nice park we enjoyed our stay. Nicer bathrooms with showers would be a big plus.
State Park	Buffalo Bill	Nice place to stop on our way to Yellowstone
State Park	Buffalo Bill	nice place, Thanx
State Park	Buffalo Bill	No trash can at dam visitor center
State Park	Buffalo Bill	Our family is extremely resentful of the changes made to allow camping at the Tamarask camp ground at Boysen. You have micromanaged to the point that many family members will not even go. You've killed family tradition. Stop trying to micromanage our parking & camping decisions. You're not needed or wanted. Feel free to contact me! [REDACTED]
State Park	Buffalo Bill	Park Rangers have been very unpleasant many times to myself and my family with no provocation.
State Park	Buffalo Bill	Pat at the Fee booth was very helpful and knowledgeable
State Park	Buffalo Bill	Please provide better fly control at restrooms

Appendix G. Summer Additional Visitor Comments		
Site Type	Site Name	Additional Comments
State Park	Buffalo Bill	Pull through camp spots are very convenient and make it easier!
State Park	Buffalo Bill	Recycling receptacles are necessary
State Park	Buffalo Bill	Reservations should be more manageable online for longer stay. Put in fish cleaning station.
State Park	Buffalo Bill	Should allow reservations for electrical RV sites for more than 2 weeks if patron is willing to pay for site they should be able to. Reservation system needs improvement. Place more recycle bins in the parks.
State Park	Buffalo Bill	Sign indicating time you can fish is confusing (the spawn dates) Water pump & bathroom locks aren't functional in park of North Fork.  More sites w/ water & electric would be nice.
State Park	Buffalo Bill	speed limit of 30 is too fast in the campground. Kids are riding bikes or walking on road ways. 10 or 15 mpg is better for kids. The white pickup with utility boxes was driving over 15mpg posted.
State Park	Buffalo Bill	Sprinkler timing is poor, and need recycling
State Park	Buffalo Bill	Technology-no Open natural sites-yes Traffic, ORV-No Hiking, maps, directions-yes Cell towers-No Visitor Center-yes
State Park	Buffalo Bill	The dirt dyke in the lake east of the bridge really should/needs to be marked.
State Park	Buffalo Bill	The nicest park ranger we have ever met in the U.S. It's SAM! Martinsen! Robert & Maria Christina-Switzerland
State Park	Buffalo Bill	The one way signs are superfluous.
State Park	Buffalo Bill	The park fee is difficult to understand with the way it's broken. I was told 3 difficult ways of how or what I should pay regarding the annual permit. The front booth, permit department, & a local permit seller all 3 told me 3 different stories of how much & what I should purchase, It's inconvenient that everyone is misinformed.
State Park	Buffalo Bill	The reservation system needs to be improved-the maps online are especially bad. RV hook up sites would be nice to be available for first come first serve. Selling firewood would be very useful and successful endeavor here.
State Park	Buffalo Bill	The reservation system needs work-with limited sites, do not allow one night reservations, make it a 2-3 night minimum otherwise long term camping is not possible. You have one night reserve and many nights on either side empty.
State Park	Buffalo Bill	The women's restrooms were very good with no odor. All of the men's restrooms had bad odor-the source was the urinals, I suggest that (since there are no covers) that urinal deodorant block's be put in each urinal to reduce the odor.
State Park	Buffalo Bill	very nice & quiet campground
State Park	Buffalo Bill	Very nice park, very friendly personell
State Park	Buffalo Bill	We appreciate the RV site w/ water/electric, but liked the naturalness of the park. However, we know that others want water access and the ability to picnic when we travel, we make our reservations online & appreciate as many details as possible.
State Park	Buffalo Bill	We are responsible campers & can take care of ourselves & know how to follow the rules. We do not need "law enforcement" driving through the campground 20 times a day.
State Park	Buffalo Bill	We have a 37' M.H. So hook-ups are convenient
State Park	Buffalo Bill	We love this big green park!
State Park	Buffalo Bill	We stayed in North Shore campground site #3. Its a beautiful site except there is a garbage dumpster directly in front of the site. Really?
State Park	Buffalo Bill	We travel MT & WY every year. We have dear friends in Cody. We love this place! We don't understand people staying in town, especially since this is good RV parking at the ?.
State Park	Buffalo Bill	Website online for reservations hard to navigate
State Park	Buffalo Bill	When calling the 800 reservation center we were told hook-ups were only for handicapped, but this was incorrect. Should be corrected. Park irrigation system sprayed directly on our trailer. Ranger fixed it on the second day. Site 51
State Park	Buffalo Bill	Would like 1st come 1st serve for hookup sites
State Park	Buffalo Bill	Would like see hand sanitizer in restroom
State Park	Buffalo Bill	you're welcome!

State Park	Curt Gowdy	1 week pass
State Park	Curt Gowdy	A fish cleaning station would be great The piers are nice to see for other people. Beautiful park!
State Park	Curt Gowdy	A lovely visitors center. Would like to see more for wildflowers. A great job to all who set the center up. ? park natural setting is always great.I have been coming here for 38 years.
State Park	Curt Gowdy	Access to the rest of the lake!! North Crow & Camping
State Park	Curt Gowdy	Allow swimming for humans and dogs
State Park	Curt Gowdy	As a volunteer @ Bong State Rec Area I'm familiar with Ranger responsibilities... In Wisconsin violators to State Park rules are ticketed & have to report to Visitor Center. Am shocked my stay has been stressful in such a beautiful area. Thank you for your consideration of this matter.
State Park	Curt Gowdy	Beautiful area! Love that the sites are spread out
State Park	Curt Gowdy	Beautiful Park-Love it! Too many boats-jet skis More horse trails
State Park	Curt Gowdy	Beautiful tribute to Curt Gowdy and our Wyoming.
State Park	Curt Gowdy	Beautiful! Like more special events
State Park	Curt Gowdy	Beer Tent
State Park	Curt Gowdy	Best campground I have every stayed in! Fantastic
State Park	Curt Gowdy	Better communication for reservation systems and organization-National Forest system has it down much better.
State Park	Curt Gowdy	Camping is to get away from it all!
State Park	Curt Gowdy	Campsites should be more leveled. Reservation system is more complicated than it used to be.
State Park	Curt Gowdy	Curt Gowdy is a premier park. It is a shame and disgrace not to support the efforts of the park staff with funding to accomplish maintenance and projects. Other parks have paved interior roads. I know this is not Glendo which all your attention goes to. Wake up and look what you have here. [REDACTED]
State Park	Curt Gowdy	Digital app trail maps would be nice having more of the non-motorized lakes would be nice
State Park	Curt Gowdy	Doesn't make sense that there is no swimming, but there is water skiing.
State Park	Curt Gowdy	Dump station is key. Inform patrons if there is none.
State Park	Curt Gowdy	ENFORCE QUIET HOURS PLEASE!
State Park	Curt Gowdy	For Curt Gowdy SP I can't find a map showing all campgrounds (online)-How do I know where they are? Making a reservation is nice because sites that almost match our needs are given. Cancellation needs to be simple and free! Somehow a computer system needs to be able to fill sites if someone is a no show. NEED signs directing us to new visitor center check in. Like new speed limit signs. In tumbleweeds it needs to be 10mph. Please enforce rules better. I've seen 6 vehicles at sites, parked on grass. Today there are 3 near our campsite, all are on the grass. Likewise a pickup with a boat on the grass. Nobody uses the overflow parking. Soon there will be no grass. Too many rodents. Mice in campers. :(
State Park	Curt Gowdy	Fresh water fill @ visitor center we need to fill camelbacks 2x a day
State Park	Curt Gowdy	Get rid of generators
State Park	Curt Gowdy	Great Employees!!!
State Park	Curt Gowdy	Great facility! Very nice!
State Park	Curt Gowdy	Great Park
State Park	Curt Gowdy	Great park! I am glad I found it and will definitely be back
State Park	Curt Gowdy	Great Park-very clean, well taken care of!! Very nice!
State Park	Curt Gowdy	great trail signs for hiking
State Park	Curt Gowdy	Great trails & signage on trails
State Park	Curt Gowdy	Having the reservation system contracted out makes no sense-I want to be able to talk to someone who works at the park.

Appendix G. Summer Additional Visitor Comments

State Park	Curt Gowdy	I have none.
State Park	Curt Gowdy	I think this state park could be better if swimming was allowed and if there were bike paths/trails that ran along next to all roads.
State Park	Curt Gowdy	I'm amazed at the improvements at Curt Gowdy, while maintaining wild areas.
State Park	Curt Gowdy	leave north crow the way it is. Keep camping off of north crow.
State Park	Curt Gowdy	Love the new Visitor Center Will be back
State Park	Curt Gowdy	Love the park!
State Park	Curt Gowdy	More maps online, swim access, add a volksmarch organized @ Curt Gowdy! Markings bikers that are courteous.
State Park	Curt Gowdy	Need more hook-ups & glow in the dark trail lights.
State Park	Curt Gowdy	Nice park!
State Park	Curt Gowdy	Nice to have cell service spots & wifi at visitors center or something, but silly to worry about those things around the rest of the park.
State Park	Curt Gowdy	none
State Park	Curt Gowdy	Online reservation would be nice to see which site are available by date instead of just specific range
State Park	Curt Gowdy	Place pictures of campsites on the reservation site
State Park	Curt Gowdy	Plant and flower identification
State Park	Curt Gowdy	Please put a sign @ entrance to Sherman Hill loop! Not easily seen from road.
State Park	Curt Gowdy	Recycle @ park please
State Park	Curt Gowdy	Reservation no shows are a huge issue, the system could work but pull those no shows faster and be more aware.
State Park	Curt Gowdy	Reservation system shouldn't be contracted out. Camp host hasn't been around and the camp hosts in general have to do with reservations and maintaining campsites.
State Park	Curt Gowdy	Reservation system used to be easier before changes & communication over reservations.
State Park	Curt Gowdy	Restrooms at South Causeway were full to the bottom of riser since Thursday the 12th. We left on the 15th still full after being told they were to pump solid never happened.
State Park	Curt Gowdy	Some kinks with the reservation system & communication
State Park	Curt Gowdy	Swimming & H2O and electric sites.
State Park	Curt Gowdy	swimming needed!!
State Park	Curt Gowdy	Thank You!
State Park	Curt Gowdy	The reservation system is inconvenient as-is; need to post times of reservation so people can utilize when site not reserved.
State Park	Curt Gowdy	The reservation website does not have a secure connection. I was not comfortable entering my credit card info because it was not secure (https:). I had to call for a reservation & did not get the discount. The cancellation policy is too strict. I think in peak season if someone cancelled you would still be able to fill the spot.
State Park	Curt Gowdy	The reservation website is awful-not user friendly & difficult to navigate.
State Park	Curt Gowdy	The trail signs are great here for the most part
State Park	Curt Gowdy	This is awesome park
State Park	Curt Gowdy	This park was so nice to visit, we were impressed with trails, and views. We will be telling friends and family of this park.
State Park	Curt Gowdy	This was a blessing beyond my Imagination God guided my wife and I here!!! Thank you!! Thank you!!! Thank you!!!
State Park	Curt Gowdy	Too many dogs w/o leashes running around upsetting our dog & cat on leashes
State Park	Curt Gowdy	Update and revamp website-lots of inconsistency. It would be a one-time fix and also maps should show distinction
State Park	Curt Gowdy	Very friendly attendants were most helpful! I would like to see additional disability sites (electric) for patrons that use medical devices that require electricity. Great park and great staff. Well done!
State Park	Curt Gowdy	Very nice park

State Park	Curt Gowdy	Very pretty maintained park
State Park	Curt Gowdy	We enjoyed our brief stay-will come back to the area-would like to see better organizing 4 first come-non-reserved sites-special details of these should be known & avoid driving around from place to place to see what is open-once one is occupied this should be remind from available list as in other campground we have visited in other states. Thanks, [REDACTED].
State Park	Curt Gowdy	We love coming here because it is convenient & pretty. Your reservation system is in the dark ages.
State Park	Curt Gowdy	We want to swin
State Park	Curt Gowdy	Wonderful park!
State Park	Curt Gowdy	Would be nice if you could use reserved sites if they weren't reserved. Seems silly to have them sit empty. There wasn't a first aide kit at the Visitors Center. That would be helpful.
State Park	Curt Gowdy	Would like swimming area
State Park	Curt Gowdy	Would love to have WIFI and cell reception on west side of lake.
State Park	Curt Gowdy	Wyoming residents should have priority for campsites.
State Park	Curt Gowdy	zip line please
State Park	EKW	a dock in the middle of pond would be great to jump off of. Maybe shelters close to water.
State Park	EKW	Add Showers Store w/ sunscreen etc.
State Park	EKW	Beautiful place I liked it better 25 years ago when few people knew about it and it was quiet.
State Park	EKW	come out to get away from all
State Park	EKW	Do not charge at gate-no supervision-just pays for part of attendants wages-not necessary.
State Park	EKW	floating docks
State Park	EKW	Gail was most helful & very cheerful! She is most joyful!
State Park	EKW	Great and helpful people
State Park	EKW	Great Park no complaints, enjoyable clean & well patrolled (visit weekly).
State Park	EKW	Great place
State Park	EKW	I enjoy visiting this park each year my family and I just love it!!!
State Park	EKW	I like this park just the way it is.
State Park	EKW	I love it here
State Park	EKW	It's nice and relaxing just the way it is.
State Park	EKW	Keep it natural!
State Park	EKW	keep it simple
State Park	EKW	Like the wild state of nature
State Park	EKW	Love the park
State Park	EKW	Loving my visit to Wyoming
State Park	EKW	More handicap parking?
State Park	EKW	Need more garbage cans between fire pits. They were full & had to leave garbage on ground.
State Park	EKW	needs running water
State Park	EKW	nice
State Park	EKW	No technology at state parks!
State Park	EKW	none
State Park	EKW	People are out to enjoy so I don't like tech around unplug the children and show them there more then tv's video games and cell phones. Live how Wyoming takes care of their parks.
State Park	EKW	Please don't have dumb surveys. Thanks!
State Park	EKW	polite staff (they are)
State Park	EKW	Possibly trashes emptied more often
State Park	EKW	really enjoy the visit
State Park	EKW	Showers would be greatly appreciated.

State Park	EKW	Thank you!
State Park	EKW	These surveys are pretty dumb. The only issue I had with my visit was being pressured to take this. Thank you.
State Park	EKW	Very nice
State Park	EKW	very nice lady who give this to me
State Park	EKW	We are passing through (2 nights at Ft. Caspar campground) on our way to Montana for the summer. Glad we came today!
State Park	EKW	we love it here!
State Park	EKW	we love this park.
State Park	EKW	we love this place!
State Park	EKW	We love this place! Just rustic enough to keep numbers down and access easy. Thanks!
State Park	EKW	We should have a stripper pole in the middle of the pond where girls dress up like mermaids.
State Park	EKW	White line on one way road to keep bicyclist's on one side of the road so they don't run over people walking & walking dogs
State Park	EKW	wish more of the other picnic tables were groomed grass was to tall around them.
State Park	EKW	Wish there were areas where dogs were welcome.
State Park	EKW	Wyoming residents should be free
State Park	EKW	You guys maintain EKW very well. Its always clean. I always have fun here.
State Park	Glendo	A great place to camp.
State Park	Glendo	A way to be able to use handicapped areas when no one is using theirs.
State Park	Glendo	Additional parking would be great, hard to fit a family in a site.
State Park	Glendo	Beautiful lake and campgrounds. We do not like the changes un reservation requirements. All of the posts for numbered signs, etc. it was better before-now it's like camping in Colorado. One camper per designated space.
State Park	Glendo	Beautiful place! Great people that work here!
State Park	Glendo	Blocked at entrance, could have more entrances.
State Park	Glendo	Boat docking at campsites should be allowed for duration of stay. Park rangers need to communicate to be consistant with campers.
State Park	Glendo	boat ramp @ Sandy Beach
State Park	Glendo	campsite reservation map was mismarked. Not well marked.
State Park	Glendo	Communicate annual permit options for non residents.
State Park	Glendo	Enforcement of the overnight rule-more strictly enforce occupancy of vehicles/sites overnight.
State Park	Glendo	Families should be able to reserve a site if they are on site. Group sites available for first come first serve.
State Park	Glendo	Fire pits should be deeper and bigger.
State Park	Glendo	First come first serve to campsites please.
State Park	Glendo	Fish cleaning stations
State Park	Glendo	Fish cleaning stations should be made priority at all the boat ramps. Group camp sites should be able to host multiple vehicles and campers for group members.
State Park	Glendo	Fish cleaning stations would be good to see around.
State Park	Glendo	Glendo State Park is well maintained and has good management. Wouldn't change much.
State Park	Glendo	Great park!!! Love the bike trails, they're fabulous.
State Park	Glendo	Grounds should be kept up as far as weeds/mowing. Please hire more maintenance teams to keep restrooms clean. Fish cleaning station is a priority. Elk horn road should be covered with gravel. Place rubber bumpers on boat docks.
State Park	Glendo	Have loved coming here for years. closest thing to the Black Hills I can get besides being here!
State Park	Glendo	Having multiple fish cleaning stations is necessary! Park staff did a great job.
State Park	Glendo	I don't mind filling out a survey but this one is too long.
State Park	Glendo	I love the campground layout!

Appendix G. Summer Additional Visitor Comments		
Site Type	Site Name	Additional Comments
State Park	Glendo	Improve boat rentals at marina and available sites re: reservable sites & occupancy plus the staff knowledge/communication of these shaded/more attractive group camp sites would be awesome as well.
State Park	Glendo	Improve map of reserved sites online.
State Park	Glendo	Improve the map barely legible. Better to have in two maps or more detailed.
State Park	Glendo	Improve the map on the reservation system online. Did not like the Sandy Beach map broken in two pages. Firewood sales would be nice.
State Park	Glendo	It is year 2014. There needs to be a way to check annual passes via dispatch 24/7. G&F and sheriffs/police can check vin/hin & license plates 24/7. Having to put stickers in window permanently is hindering. There is no need to have them permanent. Being able to move them when a windshield is broken is a must. Having to pay to replace them if they are damaged during a windshield repair is ridiculous & outrageous. I will continue to put sticker in my own windshield with my own tape. You should have the ability to cross reference numbers to vehicles via dispatch @ anytime. Grass was 12" tall & firepits were full. Looked terrible. Also how about a level picnic table that you can eat at.
State Park	Glendo	It would be better to have on site reservation & staff in the area to deal with them.
State Park	Glendo	Locks on the bathroom doors
State Park	Glendo	Love it-thanks!!
State Park	Glendo	Lovely the way it is!
State Park	Glendo	More dumpsters across the road from two moons camp sites. Multiple campers in one spot. Clean restrooms. Gravel instead of clay @ Elk Horn Ramp on reserved sites more they are reserved. Blade the roads in the Spring. Rubber bumpers on the dock.
State Park	Glendo	more group areas
State Park	Glendo	More group campsite options/sites closer together
State Park	Glendo	My survey taker was very nice & helpful!
State Park	Glendo	Need several fish cleaning station badly
State Park	Glendo	need several shower stations and better cell phone service.
State Park	Glendo	nice & quiet Kids love the sand
State Park	Glendo	No discrepancy between camping sites and tables that are used at the campsite. could fit more camping sites for large parties.
State Park	Glendo	One of the best state parks to visit, favorite place every year! Thank you
State Park	Glendo	Playground at sandy beach would be nice
State Park	Glendo	Please make campsites first come first served like before. No reservation
State Park	Glendo	Please strictly enforce the overnight occupancy rule for campsites.
State Park	Glendo	Prices are too high at marina. Plant more bushes or trees for privacy. Shower facilities are needed.
State Park	Glendo	Recycling should be available with all of the cans around. Another playground.
State Park	Glendo	Reservation fees don't make sense.
State Park	Glendo	Reserved spaces not being used should be fined and spaces made available after no shows 1st reservation.
State Park	Glendo	Review rule pertaining to number of vehicles at 1 campsite
State Park	Glendo	Run reservation system like a hotel. Avoid having open spots that are reserved and don't show for less than one day communication at front booth.
State Park	Glendo	Should be able to purchase non-residential camping pass.
State Park	Glendo	Should work on how online system saves previous reserved sits.
State Park	Glendo	Shower facilities
State Park	Glendo	Shower facilities are needed. More signage about where public property & private separate, is needed. Also information about where the teepee circles advertised in the booklet are would be nice.
State Park	Glendo	Sites should be first come first serve or at least there must be a better way to track/hold reservations accountable.

Appendix G. Summer Additional Visitor Comments		
Site Type	Site Name	Additional Comments
State Park	Glendo	Tents not limited due to large family size. Capacity based on people not tents.
State Park	Glendo	Thanks for all the great work. Many improvements since 1969.
State Park	Glendo	Thanks Much!!
State Park	Glendo	The ladies conducting the surveys were really nice. More bike trails @ Guernsey.
State Park	Glendo	The trash collection at Whiskey Gulch (and elsewhere) was overdue and the bins were quite full. Great park though! Like to see less-developed areas preserved.
State Park	Glendo	This site is really great as it is and needs very little in the way of improvement.
State Park	Glendo	very nice and well kept park!
State Park	Glendo	Would be nice to have map of campground at least available online.
State Park	Glendo	Would like to have either/or reservation/first come first serve, not both.
State Park	Glendo	Would love to have fish cleaning stations like Boysen has. Need to consistently have docks in water and available for use-not everyone can climb in and out of boats without docks. Need dock & ramps open at each areas so everyone doesn't have to use same boat ramp & dock from all campgrounds areas. Campsites should always be 1st come 1st serve!
State Park	Guernsey	1. Electrical to all sites 2. Clean up beaches of goat heads & sand burs 3. Sell out of state camping permits (we used to be able to) 4. We like the Guernsey people, lake, town & State park employees.
State Park	Guernsey	1.) Availability of Audio tour CD at entrance stations (we got ours after lake tour @ museum. It was good. 2.) Map of park @ entrance station.
State Park	Guernsey	ATV UTV Trails-more tent camping sites without Reservations get rid of signs they are taking away the beauty.
State Park	Guernsey	Beach is becoming overgrown with bushes - not much (enough) beach area Website not up-to-date on water level.
State Park	Guernsey	Beaches need cleaned up Ants need taken care of.
State Park	Guernsey	Beautiful park CCC Structures Amazing!! Dee was very helpful giving directions Thank You!!
State Park	Guernsey	clean up beach weeds are horrible
State Park	Guernsey	Clean up goat heads and sand burr plants around campsites at Sandy Beach. Need to grade roads around Sandy Beach campground, Many washboards.
State Park	Guernsey	Cool place! Trail maps need improvement/update
State Park	Guernsey	enjoying my stay Provide information on fishing spots; where one could fish off shore or to the river, where is legal and good fishing.
State Park	Guernsey	Enjoying my stay. Provide information on fishing spots; where one could fish off shore or down to the river, where is legal and good fishing information should be provided online or at visitors station.
State Park	Guernsey	Facilities are very nice-rock on parking area is a good idea.
State Park	Guernsey	Great lake for family fun!
State Park	Guernsey	Great place to be. Always enjoy ourselves!
State Park	Guernsey	Guernsey is an awesome state park that is incredibly well managed. I always look forward to coming every year. The fishing could be better.
State Park	Guernsey	Guernsey is nice!
State Park	Guernsey	high fees for entering the park-our group paid \$153 3 vehicles/8 people.
State Park	Guernsey	I would like the first come first serve campsites & reservation campsites to be an equal number
State Park	Guernsey	It needs to be more clear as to why two tents aren't allowed per site, even if there were an additional fee to have more tents it doesn't.
State Park	Guernsey	Larry is our favorite! Site staff are great!!!

Appendix G. Summer Additional Visitor Comments		
Site Type	Site Name	Additional Comments
State Park	Guernsey	Love the CCC structures and campsite layout. Bathrooms wonderfully clean!
State Park	Guernsey	Love this lake!
State Park	Guernsey	Loved it!
State Park	Guernsey	Lovely park, not well marked trails.
State Park	Guernsey	make a shorter survey
State Park	Guernsey	Military discount on website reservation wasn't actually available (fee booth said it was).
State Park	Guernsey	Move campsite w electric and water
State Park	Guernsey	Need ATV UTG Travels
State Park	Guernsey	Need weed control at campground-use "perspective" Need to kill weeds on beaches-They're taking over!!!
State Park	Guernsey	No comments
State Park	Guernsey	Non resident and resident should be more similar in pricing for overnight fees.
State Park	Guernsey	none
State Park	Guernsey	Paying double for a vehicle & camper after already paying the camping fee is unreasonable. A ten day stay adds up for an unused vehicle to only put a boat in with.
State Park	Guernsey	Please do some trail restoration. Thank You! It was beautiful,
State Park	Guernsey	Please trim trees, remove branches that have fallen, clean some debris from beaches. Thank you!
State Park	Guernsey	Put power to sandy beach on lakeside
State Park	Guernsey	reservation no-shows should be enforced sooner & more efficiently. Cleaning up beach of debris would be good; ground maintenance is great but beach maintenance isn't there.
State Park	Guernsey	Reservation system needs work
State Park	Guernsey	Shame to see such a beautiful reservoir with such poor fishing. Wife. and children enjoyed the museum. very educational
State Park	Guernsey	Should not be changed for reservation system. Need tell visitors upfront about reservation fee online.
State Park	Guernsey	Thanks
State Park	Guernsey	Thanks for your hard work. We have enjoyed this campground for many years.
State Park	Guernsey	Thanks Office Law Enforcement Friendly Approachable Superintendent Helpful & accommodating!
State Park	Guernsey	The beaches need to be cleaned of smelly seaweed & debris-would be much more enjoyable
State Park	Guernsey	The CCC trails are a gem including the bridge, the bridge that was destroyed in the fire should be restored & the trails should be better maintained.
State Park	Guernsey	The facilities here are always well maintained & we love coming here.
State Park	Guernsey	The history of this park is important and the preservation of the surroundings. Don't let it deteriorate! This park is beautiful-Go Wyoming! (We're from Denver)
State Park	Guernsey	Though not using wheelchair in our family, we feel the availability of accessible site here was one of the most beautiful aspects of park.
State Park	Guernsey	The reservation 877 number doesn't work well/not friendly
State Park	Guernsey	The reservation system is difficult to use making group or at least 2-3 sites in one go, should be much simpler. Also being able to have more than 1 (at least) tent should be allowed.
State Park	Guernsey	The reservation system sucks! You can't ever find the "right" dates to reserve because they don't match whats available. You have sites lined out, why can't we go back to "first come, first serve" and by pass ALL reservations! Let's get back to "camping"! Need to know whats available & when-very frustrating! Knowing about meetings for Public input would be great! ██████████
State Park	Guernsey	The sand burs are bad this year and maybe could be sprayed, but maintenance is always good and trends only so much you can do!
State Park	Guernsey	There could be a disclaimer about closeness to the train (noise-wise). And the reservation system has some issues-I was kicked off when almost finished and couldn't reserve the same

Appendix G. Summer Additional Visitor Comments

		site because the system thought it had been.
State Park	Guernsey	This park needs more blacktop roads to cut down on dust. More water & electric sites. Do away with reservation so that people trailing in RV's can have a reasonable chance at getting a water/elec site for a whole week. We are fulltime RVers and we have pretty much given up on State Park due to the reservation system.
State Park	Guernsey	Trails maintained Reservation no-shows should have to pay in full
State Park	Guernsey	Upgrade day use to include fire rings, picnic tables, more parking. Take care of beach (clean out weeds and debris). Thank you
State Park	Guernsey	We love this place. 20 years now! You have made "great improvements: Thanks Let Colorado people buy Annual Camping Permits!!
State Park	Guernsey	We would like to see options for availability of campsites when using the Reservation System. It would be easier to choose dates & not have to "start over" until you get some correct dates in the system. Very FRUSTRATING!! Or you can do away with the reserved sites ALL together. Family and friends can't just "camp" together anymore!! Would love to know about meetings to give public input.
State Park	Guernsey	When the State of Wyoming changes its laws regarding State Parks game, fish and wildlife it would be nice to have information highlighted on the reservation website. Additionally, if an out of state boater has to purchase a decal to be on state water and have a boat inspection, it is highly recommended that you make decals available for purchase where the boat is inspected.
State Park	Guernsey	Wonderful job of visitor attraction
State Park	Guernsey	Would like to be told over the phone if the reservable sites may be open instead of being told they are full when they are not.
State Park	Guernsey	Would like to know a \$5 additional fee must be paid. More notification of charges.
State Park	Guernsey	would like to see beach areas cleaned, full service RV sites
State Park	Guernsey	Would like water & electric at group sites. Would like Sandy Beach cleaned up from sticker grass plants and all grassy moss that has washed down from Glendo otherwise love this place.
State Park	Guernsey	Would rather have more showers available at restroom areas.
State Park	Guernsey	Wyoming residents who pay state taxes should have first access to ALL camping spots!!!
State Park	Hawk Springs	Awesome experience 1st time camper here. Friendly staff & serves! Clean mens bathroom a+
State Park	Hawk Springs	Bathroom's could be looked at more. so far this year they have been poor. The toilets been extremely full and very dirty!!!
State Park	Hawk Springs	Because sites are so limited at Hawk Springs res it would be nice if sites are monitored for trailers brought in during the week, and abandoned then returned to for the weekend. We came on Thur early afternoon to find 4 to 5 trailers with no occupants. They were still empty most of Friday.
State Park	Hawk Springs	Close toilet lid sign
State Park	Hawk Springs	Fish washing station state wide would be wonderful
State Park	Hawk Springs	Site had trash around, noticed trash along lake shore, people need to remove their trash when they leave.
State Park	Hawk Springs	trees to block wind
State Park	Hawk Springs	Very nice park. love it here. Staff is very kind and friendly
State Park	Hot Springs	20 minutes seems to force you to pay at other facilities.
State Park	Hot Springs	A beautiful unexpected surprise! great state parks provide this all for everybody!!!
State Park	Hot Springs	A lovely discovery! Thank you for this public service.
State Park	Hot Springs	A real find for the overseas visitor - just keep it as it is!
State Park	Hot Springs	Absolutely NO major changes to this park!!
State Park	Hot Springs	Absolutely wonderful hot springs with wonderful staff!
State Park	Hot Springs	Also visited Legend Rock which we loved.
State Park	Hot Springs	Amazing!!! We will be back one day
State Park	Hot Springs	Appreciate park ground maintenance at Hot Springs Park
State Park	Hot Springs	Awareness for kayaking would be nice; classes and where beginners could float the river as

		well as perhaps a race/special event would be nice.
State Park	Hot Springs	Bath house is an exceptional facility; all of Hot Springs SP is well kept, beautiful and among best of state parks nationally.
State Park	Hot Springs	Beautiful facility! Enjoyed ourselves-want to make it a destination next time!
State Park	Hot Springs	Beautiful Park
State Park	Hot Springs	Beautiful park, wonderful people, I would recommend it to anyone.
State Park	Hot Springs	Beautiful place. Thank you!
State Park	Hot Springs	Beautiful state park! The hot spring feels so good. Thank you.
State Park	Hot Springs	Best place ever!!
State Park	Hot Springs	Do not close the pool.
State Park	Hot Springs	Enjoyed the craft show
State Park	Hot Springs	enjoyed the soak
State Park	Hot Springs	excellent. Thank you very much to the town to organize free baths. Perfect for travelers.
State Park	Hot Springs	First time here. We will be back. Thank you!
State Park	Hot Springs	great experience
State Park	Hot Springs	Great Experience!
State Park	Hot Springs	Great facility. We bring 15 to 25 friend/relatives here each summer-or the Wind River float trips also.
State Park	Hot Springs	Great free hot springs
State Park	Hot Springs	Great Park!
State Park	Hot Springs	Great place
State Park	Hot Springs	Great Place!
State Park	Hot Springs	Great Place!
State Park	Hot Springs	Great service
State Park	Hot Springs	great site
State Park	Hot Springs	great to have attractions family can see with little expense esp today's world.
State Park	Hot Springs	Great! First time here, saw it on the map and decided to stop. Will spend more time next time and be sure to go to the museum.
State Park	Hot Springs	Great, very helpful staff
State Park	Hot Springs	Had a great time soaking!
State Park	Hot Springs	Helie's Teepee soaking site is absolutely disgusting.! My son was scratched (fairly deep) by the broken pieces of the slide. I'm afraid I am going to get fungus! I can not stress how disgusting the place is! I hope the health dept. closes this facility very very soon.
State Park	Hot Springs	Helies teepee disgusting, run down, not a place we should pay for.
State Park	Hot Springs	Hot Springs State park is a favorite stop of ours!!
State Park	Hot Springs	I am Evan and I'm 11 so this is in a kids perspective.
State Park	Hot Springs	I don't think of this park as an activity. Just the swimming pools & walk thru the hot springs. All the above questions seem irrelevant to the vendor event in the park.
State Park	Hot Springs	I enjoyed the hot springs. I appreciate that they are free-well maintained!!
State Park	Hot Springs	I like the hot spring
State Park	Hot Springs	I like wilderness
State Park	Hot Springs	I live here and it is all important for our town
State Park	Hot Springs	I still think they should tear down the teepee spa-improvements at the other one have been very noticeable & comforting.
State Park	Hot Springs	I want a booklet on the geology of this area like Laura Vietti's poster-very interesting and informative.
State Park	Hot Springs	I wish there was an outside pool that was more like the outdoors hot springs like in Saratoga, dirt floor, stones, more natural.
State Park	Hot Springs	If every person just picked up one piece of trash it would be wonderful, I'm convinced I'm the only one in YNP that ever picked up any trash. Not to mention that I don't understand why its there in the first place.

State Park	Hot Springs	If webcams were focused on wildlife they'd be great to see, but having them on restroom doesn't make much sense.
State Park	Hot Springs	It is difficult to answer the questions above at the Hot Springs Bathing place.
State Park	Hot Springs	It was great! Even in a hot day
State Park	Hot Springs	It was hard to the Thermopolis website (town)-could be good upgrade.
State Park	Hot Springs	It would be nice to have a centrifuge in the bath house to dry out suits.
State Park	Hot Springs	It's awesome here! keep up the good work.
State Park	Hot Springs	Just here as a vendor for pagent days.
State Park	Hot Springs	keep it free
State Park	Hot Springs	Keep it free reminds me of my youth when everything was free old time America God Bless
State Park	Hot Springs	Kevin and his staff are truly wonderful
State Park	Hot Springs	Kevin Skates is a wonderful asset to Hot Springs St. Park. Most state parks have been beautiful-EXCEPT Boysen. What a dump. Bad management of restrooms, campsites, and friendly staff. I am sad to see this place die. The trees are not getting water, the ground moves w/ ants, the weeds are out of control, the bathrooms are not clean (& no toilet paper often), the park cops are minions [REDACTED]. They also take no care of the road that goes down to Boysen Dam. It is in total disrepair even though there is a fee area down there. Amen.
State Park	Hot Springs	Kids had a great time Very educational - learning experience
State Park	Hot Springs	Locals and/or tribal members should receive discounts.
State Park	Hot Springs	Love coming all the time. Love this park. Keep up the good work. ;)
State Park	Hot Springs	love coming here.
State Park	Hot Springs	Love Hot Springs State Park-the staff is always wonderful-Love Glendo State Park-Thank you for keeping the Park Service -you do need to look at the vendors in Hot Springs State Park and make them keep the facilities up!
State Park	Hot Springs	Love our parks
State Park	Hot Springs	Love the state bath house!
State Park	Hot Springs	Love this park! Very serene and quiet-beautiful!
State Park	Hot Springs	Love this park, so beautiful!!
State Park	Hot Springs	Love this park. I just retired from 40 years of teaching in Florida and it was my dream to be in Wyoming at this park when school started back home. My dream is realized. (-:
State Park	Hot Springs	Love you 8
State Park	Hot Springs	Loved it here! Thanks so much for everything & thanks Chief Washakie!
State Park	Hot Springs	Loved your park. Thanks
State Park	Hot Springs	Missouri State Parks are free to visit campsites improved, better facilities for tents free showers.
State Park	Hot Springs	More information to keep people interested in history of the Parks. Keep them appreciating. More tent sites altogether would be great.
State Park	Hot Springs	Most beautifully maintained hot springs I've ever been to!
State Park	Hot Springs	N/A
State Park	Hot Springs	NA
State Park	Hot Springs	Need some type of shade over playground.
State Park	Hot Springs	Need to advertise now
State Park	Hot Springs	Need to enforce leash laws for pets. Need more doggie doo-doo bag stations, need to stop people from speeding through park. Seriously. Otherwise, this is a great park. Very well maintained & beautiful.
State Park	Hot Springs	nice bath house!!! peace be with you
State Park	Hot Springs	Nice clean park!! Great Staff!
State Park	Hot Springs	Nice day!
State Park	Hot Springs	Nice place to stop by, no wifi ok, keep it simple.

State Park	Hot Springs	nice soak
State Park	Hot Springs	Nice State Park!
State Park	Hot Springs	Nicely kept, helpful staff-Thanks!
State Park	Hot Springs	no fees - do not raise prices. Keep Wyoming Wyoming no big city ideas.
State Park	Hot Springs	Our park is gorgeous! Beautiful flowers etc & the staff is awesome, super helpful with our Kiwanis craft fair.
State Park	Hot Springs	Park was in very good condition
State Park	Hot Springs	Personal attention from management made experiences more enjoyable.
State Park	Hot Springs	Please install bathing suit wringer, a cold plunge would be wonderful, ice water in the dressing rooms w/ lemon or cucumber. Monica does an awesome job of keeping this facility clean & inviting.
State Park	Hot Springs	put a long channel pump at the bottom of the terraces to return the water to the top over and over again.
State Park	Hot Springs	Really enjoyed our visit here, nice pretty town, friendly people & locals.
State Park	Hot Springs	really wonderful resource!
State Park	Hot Springs	Shorten the surveys! Too long!!!!
State Park	Hot Springs	So glad we stopped
State Park	Hot Springs	So happy to find this spot-it is wonderful that Wyoming opens this free to the public. we donated a little cash, and hope everyone supports this beautiful space where the buffalo roam!
State Park	Hot Springs	Staff at Hot Springs Pool very helpful & friendly. Very informative.
State Park	Hot Springs	Staff was very helpful, Ellen was friendly and provided the information I asked for.
State Park	Hot Springs	Staff wonderful. very clean facility
State Park	Hot Springs	Thank you
State Park	Hot Springs	Thank you
State Park	Hot Springs	Thank you!

State Park	Hot Springs	Thanks alot very relaxing & benifital.
State Park	Hot Springs	Thanks for a wonderful experience!
State Park	Hot Springs	Thanks for the wonderful service!!
State Park	Hot Springs	Thanks for visit!!
State Park	Hot Springs	Thanks!
State Park	Hot Springs	Thanks!
State Park	Hot Springs	The historic restoration is important but never seems to be done well.
State Park	Hot Springs	The people who live in Thermopolis benefit a lot from the park. We want the facilities affordable for us as well as the tourists.
State Park	Hot Springs	The shower heads had algae on them in the bathhouse.
State Park	Hot Springs	The world's largest mineral hot springs is in China!
State Park	Hot Springs	This is a great park. Love coming.
State Park	Hot Springs	This is a wonderful park with great historic significance. It is certainly worth developing. I particularly enjoyed seeing buffalo roaming and the soak pool and the cemetery.
State Park	Hot Springs	This is always a positive experience at the springs.
State Park	Hot Springs	This is the BEST maneried and manicured park in the state. Most beautiful flowers in the world.
State Park	Hot Springs	This survey was completed at Thermopolis State Park Mineral Springs Pool. An outstanding facility with a friendly and informative staff.
State Park	Hot Springs	To much on servey takes to long
State Park	Hot Springs	Very clean. Staff nice.

State Park	Hot Springs	Very relaxing waters. I am glad I tried it.
State Park	Hot Springs	Very welcoming staff-friendly town.
State Park	Hot Springs	We enjoyed our stay!
State Park	Hot Springs	We enjoyed the bath house very much! Thanks!
State Park	Hot Springs	We had a wonderful experience
State Park	Hot Springs	We love Hot Springs State Park facility. Thank you, for having a no fee policy, Thank you!
State Park	Hot Springs	We love the state bath house!! We appreciate its cleanliness and Monica.
State Park	Hot Springs	We love this park its great Thank you so much great job!
State Park	Hot Springs	We went to the Teepee mineral water. It was the most disgusting place I ever been to. It was expensive and so dirty run down, unpleasant it should be tore down. It is not a place you should be proud of for your state to have visitors like us to visit..
State Park	Hot Springs	Web cams trained on the wildlife would be cool but it seems silly to have one on the bathroom
State Park	Hot Springs	white water rafting opportunities are great to have in the area.
State Park	Hot Springs	Wonderful Hot Springs. Refreshing for travelers & people coming in from long term camping.
State Park	Hot Springs	Would to have campsites available in the Hot Springs Park.
State Park	Hot Springs	Would visit more parks/events with apps/media updates on PMD.
State Park	Hot Springs	you have Great people at the people especially Monica. Give them a raise.
State Park	Keyhole	A lot campsites are very unlevel grass is high sometimes getting to boats.
State Park	Keyhole	add a zipline!
State Park	Keyhole	All of the above is important? Why should I rank them?
State Park	Keyhole	Always enjoy my time here.
State Park	Keyhole	always enjoy our visits
State Park	Keyhole	Are there any fish in this lake?
State Park	Keyhole	Bathroom is not clean has not been clean for over 6 months. Filthy. Please clean soon.
State Park	Keyhole	Beautiful Park Thank you!!
State Park	Keyhole	Beautifully kept up-nice and clean. Superintendent nice/helpful RE: Reservation system-I realize it wasn't live & needs a 2 day buffer-it looked as if everything was booked, I just happened to call and staff explained.
State Park	Keyhole	Been coming to Keyhole since we were little kids
State Park	Keyhole	Bigger group camping areas for campers
State Park	Keyhole	Cleaner bathrooms would be nice
State Park	Keyhole	Come out here to get away from technology rush-rustic camper
State Park	Keyhole	Contracting out the reservation system is bad; communication needs to be better. AT&T cell reception needs to be better.
State Park	Keyhole	Don't like how the reservation contract is out of state.
State Park	Keyhole	Electric sites through out park and more water spigots.
State Park	Keyhole	Enjoyed the stay and will come back with friends and family. Thanks
State Park	Keyhole	enlarge the beach!!
State Park	Keyhole	Fish cleaning stations (multiple!) are well-needed. Cell phone reception could use improvement. Enforcement of park rules certainly very important; especially the dog (leash) rule and keeping them in control.
State Park	Keyhole	flush toilets are not a commodity; a neccessity.
State Park	Keyhole	Good place to go and be. Thank
State Park	Keyhole	great campsites friendly staff thanks!

State Park	Keyhole	have more than one fish cleaning station.
State Park	Keyhole	help no tech
State Park	Keyhole	Home stead campgroup- The camp hosts were excellent! Law enforcement-friendly-John
State Park	Keyhole	I lke very much to come and take my family here cuz its clean and kids have fun and its allways clean and safe for the kids.
State Park	Keyhole	I love this park, so clean
State Park	Keyhole	I love this place
State Park	Keyhole	Improve beach-reestablish beach at tontaka
State Park	Keyhole	Its a lake we need more electric sites and get rid of that reservation garbage!!
State Park	Keyhole	last time we stayed we rented a cabin on Labor Day and had trouble getting our deposit back. We probably won't ever rent a cabin again.
State Park	Keyhole	Like to see main roads through campgrounds paved to cut down on dust, campsites are fine w/ gravel but would like electric, not water. Showers would be nice, even if the camping was a few more dollars a day.
State Park	Keyhole	Love camping here. Good sites and as much recreation as you choose to do.
State Park	Keyhole	love it here
State Park	Keyhole	love Keyhole and its staff. would like to see electricity at tent camp sites.
State Park	Keyhole	Love the cabins, wish there were more options like them, maybe with water (a sink/shower) or bigger. Or just a shower house in the park somewhere is needed.
State Park	Keyhole	Love the park
State Park	Keyhole	love this place
State Park	Keyhole	Marina staff were not helpful and shower facilities should be brought back.
State Park	Keyhole	More beach areas so the one is not so over ran with people
State Park	Keyhole	More camping sites along water
State Park	Keyhole	more camping spots that you can reserve.
State Park	Keyhole	more electric sites that don't need reserved
State Park	Keyhole	More group camping
State Park	Keyhole	more group campsites for larger groups.
State Park	Keyhole	More larger group campsites
State Park	Keyhole	need more fish
State Park	Keyhole	Nice campground, great visit! We will return!
State Park	Keyhole	Nice olace. Thanks
State Park	Keyhole	nice park
State Park	Keyhole	Nice place
State Park	Keyhole	none
State Park	Keyhole	none its camping
State Park	Keyhole	none,it's camping
State Park	Keyhole	Our first visit-long way from home so don't know if will be back Lovely spot-nice level site-AR13
State Park	Keyhole	Park Rangers should enforce safety, not speed traps for 1 mph over limit.
State Park	Keyhole	Patrolled & enforced better-not enough law enforcement to deal Shower facilities should be available!
State Park	Keyhole	Pine haven could be used for all dry camping. Please put in more sites w/ water electric in all other areas. Arch Rock, Pronghorn, Pat's point. People would reserve all and would pay more.
State Park	Keyhole	Please do something to control flies. We have been coming to Keyhole for over 20 years and appreciate the improvements that have taken place over the years. Our biggest complaint is the lack of any kind of control of the fly problem. The flies are always so bad it's hard to ever try to eat outside and the inside of our motor home always has flies. Something as simple as spraying the dumpsters would help because that and the restrooms are where the problems starts.

State Park	Keyhole	Posted speed limit of 5mph in campsites.
State Park	Keyhole	power outlets
State Park	Keyhole	Reservation site kicks people off and doesn't allow to finish the reservation. More reservation sites and RV sites with electric. Showers & fish cleaning facility are needed.
State Park	Keyhole	Reservation system is not Ipad friendly Definitely need to know about possible tornado shelter areas (within staff).
State Park	Keyhole	RV sites should be marked! Tent should stay in Marked tent spots!
State Park	Keyhole	Should be permitted to have more boats on docks. More public docks @ campgrounds.
State Park	Keyhole	Take a tractor and make better beaches. Plenty of places to do it.
State Park	Keyhole	Tent camping @ Tatanka needs a group shelter.
State Park	Keyhole	Thank you!
State Park	Keyhole	Thanks for the beautiful park. Will be back if we're up this way again!
State Park	Keyhole	The reservation system is unorganized and being contracted out is inconvenient because the company doesn't know the situation well. Communication is poor, sometimes Rangers are over strict. Fees for day use should extend until night time.
State Park	Keyhole	The reservation system should be like a hotel. The 48 hour rule is ridiculous.
State Park	Keyhole	The water for drinking at the spickets are broke in home stead. Would like to seem them fixed. Thanks
State Park	Keyhole	This is a beautiful park. Mostly clean and well taken care of. Friendly staff. Reservation site online worked well. This is our second trip here. We love it and it will be our favorite camping memory!
State Park	Keyhole	This park has very nice campsites. Staff is friendly.
State Park	Keyhole	This park is well maintained and is a great family sight.
State Park	Keyhole	To much Bull now
State Park	Keyhole	Updated reserved sites and maps based on availability & certain date. Reservation sites should be shown on map as reserved/not available. Designated swim areas should be @ campground area.
State Park	Keyhole	Very Nice Fishing!
State Park	Keyhole	very nice park-Love it
State Park	Keyhole	Very nice place. Thanks
State Park	Keyhole	Water an electric and sewer
State Park	Keyhole	We all come as a group of 8-10 campers about 4 times a summer. Changing the rule to one camper per site has really made it hard for us to all be together now. PP8 & PP9 & a few others that point could easily have 2 on them. It seems a waste to only allow 1. Please reconsider this rule as we know lots of people who visit out here as a group that this affected. A shower house would be a huge bonus!
State Park	Keyhole	We love how much Keyhole has done in the campsites to make it so nice:) Our little heaven.
State Park	Keyhole	we love Keyhole!!!
State Park	Keyhole	We love to come and hang at this lake.
State Park	Keyhole	We really like this park. Wish to come here more often.
State Park	Keyhole	Web cameras for safety on the beaches and fast response
State Park	Keyhole	Wish we were staying for a longer visit! It is gorgeous here! Maintenance is phenomenal! Thank you for providing a fantastic place to stay!
State Park	Keyhole	Would be nice to see showers thru out the campgrounds.
State Park	Keyhole	Would love to see more camp sites with water & electric.
State Park	Keyhole	You charge way too much for extra vehicles. We had to come in 3 vehicles because of work schedules & everyone had to pay full non-es. camp fees \$17.00 so we actually paid \$51.00 per night. OUTRAGEOUS. (one campers, 4 adults 2 young kids). We will not return until policy changes.
State Park	Keyhole	Your making state park like a recreational prison!! you put post all along shore line, old people cant get to waters edge to fish. Can't pack everything down there!! At Keyhole putting posts in for parking pickups an boat trailers is a

State Park	Med. Lodge	like the way this park is kept up. Beautiful job people.
State Park	Med. Lodge	1.) Flat surface material on Historic site viewing walking for those with use of wheel chairs 2.) "Run Hours" for generating units (gas & Diesel).
State Park	Med. Lodge	A beautiful peaceful place to come. The supervisor is very informative, helpful and knowledgeable.
State Park	Med. Lodge	All of the state parks we've visited have been great; well maintained, beautiful and friendly. Keep things how they are!
State Park	Med. Lodge	Apply mag chloride to roads
State Park	Med. Lodge	Beautiful & well maintained Staff very helpful!
State Park	Med. Lodge	Beautiful park that is becoming much more visited especially by "locals" with annual passes. This makes securing a preferred site(s) difficult even arriving in the 'off' season & on a weekday. There are 3 reservable sites but due to distance traveled of aprox.1700 miles and age(s) we are not always able to arrive at exact date. Even calling 4 hrs prior to arrival (and luckily getting answer) as to availability of several sites has not guaranteed a site when we do arrive. Is there a way for us traveling considerable distance to secure a vacant site preferred by us? Possibly a "hold" site for 4-6 hrs.? Could a volunteer answer phones on site in order to get info on site availability?
State Park	Med. Lodge	Because the road goes right thru the campground sites, it is very dusty from vehicle traffic. Some form of dust suppression on the road surface would be really nice! Other than that don't make too many changes to the park. It's great the way it is.
State Park	Med. Lodge	Brooks is very helpful & friendly. He obviously takes great pride in his work, this place looks great and I hope to visit again.
State Park	Med. Lodge	Dump Station electrical hook ups for campers.
State Park	Med. Lodge	Excellent experience-fantastic resource
State Park	Med. Lodge	Expanded camping areas would be great
State Park	Med. Lodge	Great Park and Staff!!!
State Park	Med. Lodge	Great park to visit. The staff was incredibly courteous and helpful. Top notch organization.
State Park	Med. Lodge	Great park! So many different recreational and educational opportunities here-keep it how it is!
State Park	Med. Lodge	great place to come!
State Park	Med. Lodge	Great Stay! (As Always!!)
State Park	Med. Lodge	I enjoy getting away from technology
State Park	Med. Lodge	I think this place should have a stock dam.
State Park	Med. Lodge	If park could stay the way it is.
State Park	Med. Lodge	It would be nice if there were a few more reservable spots. This is a really nice facility with really nice people operating it. Brooks and his staff are top notch. It is why we make the trip over here at least once a year.
State Park	Med. Lodge	Keep it as is!
State Park	Med. Lodge	Keep it non-commercialized
State Park	Med. Lodge	Keep park the same size. No need to enlarge it. No more than current "reservation sites." Every year we purchase a non-resident annual fishing permit so we would really like to be able to purchase a non-resident state park camping permits. We have been coming to Medicine Lodge State Park for 20 years & we LOVE the campground and the area!
State Park	Med. Lodge	Love this park!
State Park	Med. Lodge	Medicine Lodge is one of the first sites we've encountered in our 40 plus years of camping. Congrats on a wonderful job!
State Park	Med. Lodge	Need to get an arborist in to help tend existing trees; and plant future healthy trees. We had cottonwood across river break in a wind/rain storm and branches landed right behind our camp site. I would hate for someone to get seriously hurt and have to close Medicine Lodge. You guys do a wonderful job here!! The whole place is immaculate. We come as often as we

State Park	Med. Lodge	nice & clean
State Park	Med. Lodge	Nice group camping area w/ shelter! Good playground for the kids & we love the sounds of the creek.
State Park	Med. Lodge	Nicely maintained; preserved really well.
State Park	Med. Lodge	One of my favorites in state park system.
State Park	Med. Lodge	One of the most beautiful places we've been! Don't change a thing. Thank you so much.
State Park	Med. Lodge	Park fees for Wyomingites that have had to move because of employment are too high. We still feel we belong to Wyoming.
State Park	Med. Lodge	Park is wonderful! Superintendent Jordon does a fantastic job!!
State Park	Med. Lodge	Park Supervisor (Brooks) was very helpful & very informed about local fishing, trails, wildlife.
State Park	Med. Lodge	Please keep price as is. Staff very nice Also liked the free wood.
State Park	Med. Lodge	Ranger was very helpful & informative.
State Park	Med. Lodge	Really like the campground! Very well kept.
State Park	Med. Lodge	Restrictions on Generators
State Park	Med. Lodge	Some info on the Park map. Guide for interpretive trail, we couldn't find one. Nice park.
State Park	Med. Lodge	Stayed here many times. Staff is always helpful and goes beyond our expectations.
State Park	Med. Lodge	Survey too long!
State Park	Med. Lodge	Thank you kindly!
State Park	Med. Lodge	Thanks
State Park	Med. Lodge	The campsite is pristine, uncluttered and extremely well kept. A beautiful campsite! The camp host is extremely friendly. Thank you.
State Park	Med. Lodge	The foundation for this site is its archaeological and natural history. It is a gem in that regard. IMO the most important aspect of managing this facility should be protecting its archaeological and natural history. The staff at this facility are currently doing an excellent job. I hope that as budgets decrease they are given funds sufficient to protect this jewel. My personal opinion is that one of the worst things that could happen for this site is over development. Please keep it basic and let the natural resources stand out.
State Park	Med. Lodge	The park is great-please keep it natural
State Park	Med. Lodge	This campground is great the way it is! Don't change anything. No major changes.
State Park	Med. Lodge	This is a great place I have been coming here all my life off and on! Don't over develop the site!
State Park	Med. Lodge	This is why we go away! Beautiful place! We will be back here! Friendly staff & wonderfully maintained.
State Park	Med. Lodge	This park is absolutely beautiful and great as-is. Some of these survey options seem kind of neat but not actually reasonable (even in other areas).
State Park	Med. Lodge	This state park is an annual favorite spot for extended family to gather. People came from various parts of Wyoming, Colorado, North Carolina and Northern California. Books welcoming presence enhances our time here.
State Park	Med. Lodge	Trailer dump-fee based w/d beautiful. Brooks Jordon is helpful. Ability to reserve group area online would be helpful. It's a long drive on Jan 2! With group site reserv., family with cars/no campers should have a reduced/no fee. The lock on women's restroom in Grp area "locks itself" should be fixed/replaced.
State Park	Med. Lodge	Very nice campground, have been here many times
State Park	Med. Lodge	Way too many questions on this survey!! 69 blanks to fill in with a 1-5 ranking is not a pleasant vacation activity. Except for the survey it was a great visit
State Park	Med. Lodge	We absolutely love this area we having been coming here for 30 some years.
State Park	Med. Lodge	We dearly love this simple quiet shadey, friendly, campground. Please remain in balance with "nature" so kids/adults catch fish. Wildlife is seen grass is green and you meet a melting pot like minded people. This is a special place that effects you forever! This is why Wyoming is home or should be to others
State Park	Med. Lodge	We have been here 3 times this year and will continue until to hot. We love the grounds and all the staff they are helpful and friendly and everything is very clean and well maintained . We

		usually camp with 3 or 4 couples this time we were alone. We come just to camp and ATV the riding is exceptional
State Park	Med. Lodge	We have enjoyed this park so much. We want WY to reinstate annual camping permits (out of state). We buy two non resident fishing licenses every year and we appreciated the annual camp permit. The park is a wonderful place to camp and fish and hike. We see no need to change it. We have enjoyed the interpretive trail the boy scouts developed and the historic interpretation. We are grateful. Don't understand role of campground host at this park.
State Park	Med. Lodge	We have visited many state parks, private campgrounds & Nat'l forest campgrounds & find Medicine Lodge to be one of our favorite sites. It is well maintained, run & beautiful - natural setting- not too much concrete & bldgs & such ; Over 12 years we have come here we have notices a large increase in the number of WY residents utilizing this park. A best kept secret got out!!!
State Park	Med. Lodge	We just love this place! Keep it like it is
State Park	Med. Lodge	We love coming here to Medicine Lodge, the management has always been nice and helpful. We love the park the way it is, it is peaceful here, and a nice place to bring your family.
State Park	Med. Lodge	We love coming here-great staff, always welcoming. Have never had a bad visit here. Always looking out for us - bad weather, etc. Great place!
State Park	Med. Lodge	We love this area and look forward to coming with our family. We love the break from technology & being surrounded by beautiful nature.
State Park	Med. Lodge	We love this site...the most beautiful state park we have been to.
State Park	Med. Lodge	We loved the park and tent site - wish we could stay longer. We value the peace and quiet.
State Park	Med. Lodge	We loved this place. Best camping site and park. Thank you for the wonderful experience.
State Park	Med. Lodge	We totally enjoyed our stay! Most of these services that aren't available here, is why we are here! We hiked, biked & ATV'd and watched the birds. Loved it!
State Park	Med. Lodge	What you have is great. Only it would be nicer if ATVs were not allowed. ATVs disrupt the tranquility of the park. Besides the park is not so large tha one could not walk where ever they wanted.
State Park	Med. Lodge	Wonderful Place to Visit
State Park	Med. Lodge	You do a great job! Thanks for everything Brooks!
State Park	Seminole	1st trip to Seminole, I absolutely love how law enforcement interact with visitors, we feel welcome and wanted at your area.
State Park	Seminole	all tech not needed we come out here to relax and get away from all the tech and people.
State Park	Seminole	Always fun!
State Park	Seminole	Beautiful camp sites wonderful
State Park	Seminole	Beautiful clean park
State Park	Seminole	Beautiful here-will for sure come back-Rangers very nice & helpful
State Park	Seminole	Beautiful place-keep it maintained
State Park	Seminole	Better wind breaks for campsites. Hot showers.
State Park	Seminole	Boat ramp at Sunshine beach.
State Park	Seminole	Boat ramp/dock @ Sunshine beach would be perfect.
State Park	Seminole	Campground very well maintained.
State Park	Seminole	Cell towers, more cell info. Love coming out here.
State Park	Seminole	current staff does a great job.
State Park	Seminole	Day stations on highway.
State Park	Seminole	Don't tell anyone about Park. Like Sunshine sites.
State Park	Seminole	Enjoyed our stay/The Park Rangers were very informative Great Stay.
State Park	Seminole	Good place since 1981
State Park	Seminole	Good set up Seminole nice, Boysen not so nice.
State Park	Seminole	Great park Love the Superintendent-very helpful & courteous.

State Park	Seminole	Great site. Thank you
State Park	Seminole	Have enjoyed Seminole for years-always a summer plan!
State Park	Seminole	Have visited this park since 1999-at least 2x's a year.
State Park	Seminole	I love you Steve! Torrey & Brandi
State Park	Seminole	Ice machine set up. (Ice kiosk) Easy way to navigate reservations on website.
State Park	Seminole	If I wanted all the fancy services described, I would go to a motel or a cruise. The best thing about coming to Seminole is the ability to get away from Technology. The best thing that can be done for Seminole is to leave it alone.
State Park	Seminole	Leave things be!
State Park	Seminole	Maint. of outside lights are lacking. Just improve your upkeep of outside lighting for nighttime emergencies. Otherwise overall good park. Also keep ATV use out of park.
State Park	Seminole	Make Seminole half as nice as Curt Gowdy State Park so the majority that don't use Curt Gowdy can have a nice park to enjoy.
State Park	Seminole	Mr. Horn was great & full of good info.
State Park	Seminole	Need a store at marina!!! If not, should not be on website! Love this lake!! Love Steve Horn!!
State Park	Seminole	Nice staff
State Park	Seminole	No technology Based services please!
State Park	Seminole	Outstanding camp site that are very well maintained.
State Park	Seminole	Please keep Seminole as is; it's Great! Wind breaks would be very nice to have; particularly around tables.
State Park	Seminole	Put up giant wind bearears.
State Park	Seminole	Ranger Steve is Awesome. Love coming here to get away from the city. Quiet and peaceful.
State Park	Seminole	Repaint signs so text and arrows are brighter.
State Park	Seminole	Seminole is life
State Park	Seminole	Staff is excellent and friendly
State Park	Seminole	Steve was very helpful
State Park	Seminole	Steve's exceptionally friendly and never anything but nice.
State Park	Seminole	Thank You! High Price
State Park	Seminole	The bathrooms are terrible! What happened to quiet time - generators running all night!
State Park	Seminole	The roads are terrible
State Park	Seminole	This is so far the best park we have stayed at in Wyoming, we love the solitude and scenery compared to the crowded city type camping in Illinois and Wisconsin.
State Park	Seminole	This park has excellent staff. They could use more resources to create level camp sites and more shelter for picnic tables.
State Park	Seminole	To many questions Awesome park rangers.
State Park	Seminole	We are extremely happy with the services at Seminole. Very clean facility! Helpful staff. Come every year
State Park	Seminole	We camp to get away from technology!! We had a great time!!!
State Park	Seminole	We come up here to get away from all the above. Dogs should not be allowed because there too much dog shit and they bark all night. We don't le ski boats, jet ski, we just want a fishing lake
State Park	Seminole	We like Seminole campground just the way it is. We have been coming up here for the past 25 years. Great spot. We've noted a few items for consideration. Mr. Horn is doing a fine job maintaining the site.
State Park	Seminole	We love this campground, have come here for many years! Love Steve & Porter! Camp & restrooms are always clean & well maintained.
State Park	Seminole	Well groomed & enjoyable park.
State Park	Seminole	Would be nice to have a store closer than Sinclair

State Park	Sinks Canyon	Have more maps to-go-to-take with you
State Park	Sinks Canyon	I am a local resident and I love to bring our visitors here.
State Park	Sinks Canyon	I love coming here several times a year.
State Park	Sinks Canyon	I love sinks canyon as it is-maybe community events would be nice.
State Park	Sinks Canyon	I love Sinks Canyon! Have been coming since a child and will continue to return every time I'm in the area!
State Park	Sinks Canyon	Improvements within the decade have been noticeable and nice to see-to be proud of! But keeping the park simple and natural is also important and great here. The restrooms are nice & clean (and not smelly!), thanks! The camping host was great!

State Park	Sinks Canyon	Nice, quiet campground on a great river! It was easy to make contact for information regarding the campground. Jamie S. at Visitor Center and Angie-camp host were very helpful & informative.
State Park	Sinks Canyon	none-everything was great-informative
State Park	Sinks Canyon	One of our favorite parks, Great staff!
State Park	Sinks Canyon	Parks are a crucial part of Wyoming! Thanks!
State Park	Sinks Canyon	Radical place, dude.
State Park	Sinks Canyon	Shorten Survey!
State Park	Sinks Canyon	Shorten this please...
State Park	Sinks Canyon	Shorten this survey
State Park	Sinks Canyon	Shower facilities would be nice as well as some of the other options, but maintaining the park as is, is most important with budget available; beautiful spot! Recycling was nice to see-should advertise what recyclables can go into receptacle though (less sorting for you).
State Park	Sinks Canyon	Showers would be nice-Sunrise it was great!
State Park	Sinks Canyon	Signs for sinks and rise should be more visible
State Park	Sinks Canyon	Sinks in the bathrooms would be great-but we understand the non-potable water situation.

State Park	Sinks Canyon	Thanks The Sinks Canyon Park is great!
State Park	Sinks Canyon	Thanks!
State Park	Sinks Canyon	The boxed (raised area) tent sites are really great especially when the ground is wet, because they stay more dry, but they aren't located in as nice of areas as sites without wifi would be nice maybe just accessible in one main area (like visitor center) and shower facilities would be great to have.
State Park	Sinks Canyon	The sinks-rise-is really great viewing area.
State Park	Sinks Canyon	This has been a great experience. Everyone here is very friendly.
State Park	Sinks Canyon	This is a beautiful park with very friendly & helpful staff and the viewing areas to the rise and the sinks are unique and awesome to see!
State Park	Sinks Canyon	This place is beautiful and amazing! Can't wait to explore!
State Park	Sinks Canyon	Trash collection shouldn't be necessary/important, but it is done well as is everything maintenance-wise.

Historic Site	Governors' Mansion	Great staff Thank you
Historic Site	Governors' Mansion	great!!!
Historic Site	Governors' Mansion	Have horse and buggy rides. Have whatever mode of transportation was used at mansion particularly 1900-1920. Period programs to emphasis the time in history.
Historic Site	Governors' Mansion	It was a wonderful tour
Historic Site	Governors' Mansion	It was great
Historic Site	Governors' Mansion	It would be very cool to see people dressed up in each room giving information to visitors-we had a great time though.
Historic Site	Governors' Mansion	Love how clean and accurate rooms and site is. Thank you!
Historic Site	Governors' Mansion	Loved the mansion. Beautifully restored
Historic Site	Governors' Mansion	Mansion was so nice. Thank you!
Historic Site	Governors' Mansion	Many things on survey not appropriate to Mansion site. The house was beautiful & interesting.
Historic Site	Governors' Mansion	Nice to have people welcome us into historic mansion with overview, then self guided tour=perfect!
Historic Site	Governors' Mansion	Nice to see "Canadian Honey" in fallout shelter ;)!

Historic Site	Governors' Mansion	Wonderful! Thanks!
Historic Site	Governors' Mansion	WY Capitol and Mansion are very special historic site to be proud of. Come see us Nebraskans. We're from Lincoln, also love our city & capitol. Thank you so much!
Historic Site	Independence Rock	Came out of our way to see the rock, and use the facilities, and was very glad we did.
Historic Site	Independence Rock	Each site is unique to see
Historic Site	Independence Rock	Excellent - hope it can continue to be maintained -sacred place
Historic Site	Independence Rock	Good time in state
Historic Site	Independence Rock	Handy cap man came and used family bathroom-no water he had to go to the mens room to wash very upset can't get around very good. only one of the dryers worked. No paper towels, 87 years young. talked to Rick need 2 hands under light to turn water on. people in walkers can't use two hands.
Historic Site	Independence Rock	Having even more information about all the historical importance, via technology or not, would be great. Also web cameras would be really nice to see weather conditions online ahead of time, but otherwise nice such things seem pointless and a waste of resources.
Historic Site	Independence Rock	Information on Tom Sun would be nice.
Historic Site	Independence Rock	Love Wyoming. Been to all parks almost all historic sites.

## Appendix G

Appendix G. Summer Additional Visitor Comments		
Site Type	Site Name	Additional Comments
Historic Site	Legend Rock	I believe this site is best kept at its natural state, I liked that there was someone here to give us a brief history, the petroglyph were marked with #5; could maybe have more trail along creek, otherwise excellent.
Historic Site	Legend Rock	I like that this is remote and I think having wifi would detract from the solitude and sacredhem of this place.
Historic Site	Legend Rock	I was impressed with the experience of visiting this site. The host of the site was very friendly and accommodating. The tour was wonderful because we"d been here before and now really understand it so much better. Thx for the bathroom facilities.
Historic Site	Legend Rock	Increased awareness could promote more visitors, however, the remoteness and sensitivity of this site seems to benefit from fewer visitors.
Historic Site	Legend Rock	Informative info hshot, very accommodating!
Historic Site	Legend Rock	It was amazing to see how many different petroglyphs there were. Keep up the good work!
Historic Site	Legend Rock	John Fish was excellent!
Historic Site	Legend Rock	Leave Remote-As is-Let kids read!
Historic Site	Legend Rock	Less tech more info & signage Host is wonderful-facilities good but could be improved
Historic Site	Legend Rock	Loved it. History
Historic Site	Legend Rock	Loved Legend Rock & the pools in Thermopolis-no more water slides-Loved the Teepee pools & state pools.
Historic Site	Legend Rock	Lovely delightful that I took chance without a key (Sunday) and there was a person here! So excited that there was a chance to see these petroglyphs & the site. Thanks for having someone & preserving this important site!
Historic Site	Legend Rock	More interpretive stuff on the trails.
Historic Site	Legend Rock	nice site!
Historic Site	Legend Rock	Nicely built approach and illustration system.
Historic Site	Legend Rock	None at this time
Historic Site	Legend Rock	Please! Update or correct signage!!! From Cody, we read the sign to say we needed to travel 20 miles to Thermopolis to get a key. We did. Got there and were told we did not need a key. Next day we took the first exit to Hamilton Dome, for there appeared to be a loop to travel to the petroglyphs. We were thankful for a construction worker and a rancher who gave is directions. Please! Use signs!
Historic Site	Legend Rock	prefer to have less technology in this area. Road sign from 120 hiwayto here are adequate.
Historic Site	Legend Rock	Preserve site as natural as possible w/o unnecessary technology
Historic Site	Legend Rock	Really enjoyed surveyered
Historic Site	Legend Rock	Really enjoyed the tour and John was excellent guide.
Historic Site	Legend Rock	Really great, Interesting site! Needs to be publicized more-glad we didn't miss this!

Historic Site	Legend Rock	Thank you for your handicap driving access here
Historic Site	Legend Rock	Thank you very enjoyable day and nice informative staff.
Historic Site	Legend Rock	Thank You!
Historic Site	Legend Rock	Thanks folks!
Historic Site	Legend Rock	Thanks for the reminder on bug spray it was fascinating. The pamphlet was a "must" would have missed so much
Historic Site	Legend Rock	Thanks for the tour, keep up the good work making Legend Rock a place future generations can come and see.
Historic Site	Legend Rock	The host was very friendly and helpful. I am thankful for the opportunity to visit this site. Thank you so much for making this available to folks. I am impressed by the significance of the site and with the host's knowledge of the History and this area in general. Thank you!!
Historic Site	Legend Rock	The hostess of the visitor's center provided a great informational overview of what we would see at the site and was most personable. Wonderful visit!

Historic Site	Wyo Territorial Prison	Having the free lunch was nice & so were staff!
Historic Site	Wyo Territorial Prison	Having the village buildings actually open to viewing inside is something that should be available-a shame they're not open.
Historic Site	Wyo Territorial Prison	I thought the tour was great!
Historic Site	Wyo Territorial Prison	I wish you'd do this event more, hated not knowing if we'd be able to go.
Historic Site	Wyo Territorial Prison	It was a great experience & I will recommend it to other people who are passing through. The staff was awesome and very friendly.
Historic Site	Wyo Territorial Prison	It was? ? Thank you so much :)
Historic Site	Wyo Territorial Prison	Janna is the best! Thank you!
Historic Site	Wyo Territorial Prison	Just love the dump station.
Historic Site	Wyo Territorial Prison	Label the the farm equipment machinery in farm exhibit (Sheep building) as to function.
Historic Site	Wyo Territorial Prison	Love all events!

Appendix G. Summer Additional Visitor Comments		
Site Type	Site Name	Additional Comments
Historic Site	Wyo Territorial Prison	Love this event, thank you!
Historic Site	Wyo Territorial Prison	Lovely
Historic Site	Wyo Territorial Prison	Make this Western Village viable. Open the bldgs. Have gunfights
Historic Site	Wyo Territorial Prison	More handicap accessibility here...inside prison too.
Historic Site	Wyo Territorial Prison	More special events would be great! More promotion of WTP for immediate community/more visibility in the community is needed! Especially in winter. Dinner Theatre should come back!!
Historic Site	Wyo Territorial Prison	Nice place
Historic Site	Wyo Territorial Prison	Not much has changed, as I work for the federal prison system department of justice in Lomper, CA.
Historic Site	Wyo Territorial Prison	Staff is wonderful!! So helpful-Sorry we're going to miss statehood day!
Historic Site	Wyo Territorial Prison	Super fun!!
Historic Site	Wyo Territorial Prison	Take care of your history!
Historic Site	Wyo Territorial Prison	Thank you! We Love coming here! Dildine Elementary
Historic Site	Wyo Territorial Prison	Thanks for being open on a National Holiday!
Historic Site	Wyo Territorial Prison	Thanks!
Historic Site	Wyo Territorial Prison	The staff was wonderful very informative. We enjoyed our tour guide as well as the helpful information provided by the information center staff. Thank you.
Historic Site	Wyo Territorial Prison	This historic site is very important to the community.
Historic Site	Wyo Territorial Prison	This park has a lot of these things already-so it was very informative and interesting visit. Staff was super helpful! Area clean!
Historic Site	Wyo Territorial Prison	This place is great! Love the Halloween walk.
Historic Site	Wyo Territorial Prison	This survey is worded strangely? Backside very confusing. Park very nice.
Historic Site	Wyo Territorial Prison	This was a great tour! Quality, age appropriate information provided.
Historic Site	Wyo Territorial Prison	To make this a "destination" provide RV sites for visitors-expand site to include farming agricultural exhibits with convict/docent guides.
Historic Site	Wyo Territorial Prison	very cool park-lots of historical facts of interest.
Historic Site	Wyo Territorial Prison	very impressed with prison
Historic Site	Wyo Territorial Prison	Very impressive will recommend to others
Historic Site	Wyo Territorial Prison	Very informative & Interesting!
Historic Site	Wyo Territorial Prison	very interesting
Historic Site	Wyo Territorial Prison	Very interesting, Great helpers
Historic Site	Wyo Territorial Prison	We came during Butch Cassidy Day which we did not know about . Had a great time! Have intended to visit for years & glad we picked today.
Historic Site	Wyo Territorial Prison	We enjoyed our visit very much
Historic Site	Wyo Territorial Prison	we enjoyed the history
Historic Site	Wyo Territorial Prison	We enjoyed the tour. Facilities one well-maintained. Staff is very knowledgeable and helpful.
Historic Site	Wyo Territorial Prison	We had a great day at this site!
Historic Site	Wyo Territorial Prison	We love the Territorial Prison! Butch Cassidy Day is the best!
Historic Site	Wyo Territorial Prison	Well done Thank you! Please honor all card verified disabled veterans with National Park & Service Connected ID Cards. VA Issued Life. Dav Members.
Historic Site	Wyo Territorial Prison	Well done!
Historic Site	Wyo Territorial Prison	Wonderfully preserved and explained site.
Historic Site	Wyo Territorial Prison	you guys hold the best events
Historic Site	Wyo Territorial Prison	you guys should put this online-make it easier for visitors
Historic Site	Wyo Territorial Prison	You guys tock, this dark cells thing is so cool.
Historic Site	Wyo Territorial Prison	you should allow camping on this site.

State Park	Bear River	Bear River is a great park with a lot to do.
State Park	Bear River	Excellent facility
State Park	Bear River	Great park - I travel the State and it's by far, one of the best.
State Park	Bear River	I am handicapped and I found the restrooms very handicapped friendly as they were designed with the handicapped toilet at the very front.
State Park	Bear River	I like visiting here during the summer! :) Have a terrific day!
State Park	Bear River	I live in town. I love our park. Thank you for all that you do!!
State Park	Bear River	Keep up the good work
State Park	Bear River	Love the Bison, Elk and the close proximity to town. We drive through and recreate in the park almost everyday at least once. Very happy that there are no entry fees to the park. Great place to take family and view wildlife! We also love the sledding hill!
State Park	Bear River	Love the wildlife displays at the visitor center and all of the captive and wild animals in the park! Love this state park!
State Park	Bear River	Love this park!
State Park	Bear River	Love this park!
State Park	Bear River	Love this park. Almost everyone in town drive thru at least once per day. Love the animals, friendly & informative staff that love animals & care what happens to them & ways to care for them.
State Park	Bear River	Love this place! Great staff!
State Park	Bear River	Love this place!!
State Park	Bear River	Love this place. Talk to many out of towners who love it as well. Keep up the good work.
State Park	Bear River	Love to walk here
State Park	Bear River	Love Wyoming!
State Park	Bear River	Lovely park. Would love to see camping!
State Park	Bear River	Make survey shorter, do electronic survey to save paper.
State Park	Bear River	One of my favorite parks!
State Park	Bear River	Our first time to stop. We didn't realize it was a State Park. We plan to stop again and may be more able to fill out the questions above. What we have seen is really wonderful. Thanks!!
State Park	Bear River	Thank you!!
State Park	Bear River	The group only sites and reservation only areas were bad idea and waste of money for most part. They are very rarely used. A 2nd boat ramp would be nice on north shore of Tough Creek.
State Park	Bear River	Use this site for hiking, picnics, pictures, and gatherings. Keep historic values plus implement (?) more. Also love sledding hill.
State Park	Bear River	Very friendly & helpful staff
State Park	Bear River	Very nice displays!
State Park	Bear River	Watch movie
State Park	Bear River	We come for walks about once per week weather permitting
State Park	Bear River	We had a great time sledding and it was wonderful to have the warm visitors center to go to the bathroom & get hot chocolate! We come here a lot in the summer to walk too!
State Park	Bear River	We stop here often on our way to Utah from Rock Springs-it's always well kept and nice. We will have to look into all the other activities offered at the park for longer stays and family fun.
State Park	Bear River	What a beautiful place to hike and enjoy nature. Especially enjoy seeing the moose, eagles, fox, deer. The most enjoyable part of my retirement is being able to hike the Bear River Park most every day.
State Park	Boysen	A lot of theft in this campground. Would like to put tents down over edge instead of up in parking lot.
State Park	Boysen	Always clean & accessible to public.
State Park	Boysen	Day use rest rooms - open. no other service used. Like the camp grounds. no modern service required.
State Park	Boysen	Do not close roads
State Park	Boysen	It would be nice if the restrooms had lights.

Appendix G. Winter Additional Visitor Comments		
Site Type	Site Name	Additional Comments
State Park	Boysen	Just passin through
State Park	Boysen	Leave all roads that are currently open, open. Quit closing off and cabling off the old roads.
State Park	Boysen	More campsites like upper and lower campground
State Park	Boysen	More dispersed camping. Paved west shore road.
State Park	Boysen	More group camping, leave the state park as is some improvements would be nice. Camping on beaches below high water mark should be ok. Don't make Boysen like Glendo.
State Park	Boysen	Need to keep ice fishing parking anywhere on lake not just at boat docks
State Park	Boysen	Need to keep road open below Dam on westside
State Park	Boysen	Old school and a little of today makes me happy.
State Park	Boysen	Really enjoy the friendly park rangers and the cleanliness of area
State Park	Boysen	Start stocking lake with walleyes
State Park	Boysen	Thank you
State Park	Boysen	Thank you
State Park	Boysen	The group only sites & reservation only areas were bad idea & waste of money for most part. They are very rarely used. A 2nd boat ramp would be nice on North Shore of Tough Creek.
State Park	Boysen	The road below the Dam needs to remain open and allow fishing on both sides. Fix road don't close it.
State Park	Boysen	This park is nice the way it is
State Park	Boysen	Very nice park
State Park	Boysen	Very nice!! Thanks
State Park	Boysen	Very nicely kept state park!!
State Park	Boysen	We have lived here all our life. And enjoy fishing and camping, the restrooms and the clean environment. Nice place to take friends and family. Thanks for your service.
State Park	Boysen	Would like to see some law enforcement
State Park	Buffalo Bill	A lot of these don't pertain to our activities that we use this park - we do a lot of fishing - that's what we would like to see improve ...
State Park	Buffalo Bill	Enjoy everything that is currently available
State Park	Buffalo Bill	Friendly information available
State Park	Buffalo Bill	It's a great park & like walking here & just coming out here!
State Park	Buffalo Bill	Keep our state parks simple, forget all of this new technology. Camping is supposed to take us away from all of that.
State Park	Buffalo Bill	Maybe pay stations on the back side of the lake for those without a pass - a couple of outhouses on the back side of the lake would be nice - the park ranger was very courteous thanks
State Park	Buffalo Bill	More toilets around the lake, also more pay stations around the lake
State Park	Buffalo Bill	Please remove fee for local tax paying residents!
State Park	Buffalo Bill	Ranger should have year pass in his vehicle to sell
State Park	Buffalo Bill	Restrooms on south shore. One permit to allow camping & day use.
State Park	Buffalo Bill	too long - should not take 20 minutes to do a survey!
State Park	Buffalo Bill	We live close & walk our dogs daily. We seldom use the bathrooms or other facilities. We enjoy the wildlife & hate the litterbugs. Spring we carry trash bags & help clean up & find more people doing that now - those that use the park as we do daily. Love this area! Appreciate the park & what they do as well :)
State Park	Curt Gowdy	Better road maintenance
State Park	Curt Gowdy	Day use only at this park. In better weather, he likes to spend Sundays at Curt Gowdy. Particularly like camping./day use at the Pole Mountain site.
State Park	Curt Gowdy	First time visiting Curt Gowdy; loves the ice fishing (first time); loves snow
State Park	Curt Gowdy	Need road improvements year round
State Park	Curt Gowdy	No camping envelopes (day use only), more trees, less winds, sheltered campsites near water.
State Park	Curt Gowdy	Really enjoy Curt Gowdy
State Park	Curt Gowdy	Subjects articulated their appreciation that rangers provided them with a map of "motor

State Park	Glendo	*Visitor anxious to get out fishing. Didn't complete answering questions.*
State Park	Glendo	Been coming here for 13 years and love everything. Keep up good work!
State Park	Glendo	Better grounds keeping at Glendo. Curt is much better. Make ATV/off road trails. Make archery and gun shooting areas.
State Park	Glendo	Big thank you for allowing below shoreline access would like more shore access points please put in more roads to water.
State Park	Glendo	Check marks show interesting activities & ? visitor says number rating system is too long and complicated.
State Park	Glendo	Do not cancel Pheasant hunts keep planting birds.
State Park	Glendo	Dredge some deep water holes for improved fish habitat in the Glendo Wetlands riparian area. The fishing is great - but most of the water is shallow and silting up.
State Park	Glendo	Enjoy the pheasant hunting. Please keep the program going.
State Park	Glendo	Finish paving all of Lakeshore Drive.
State Park	Glendo	Great Experience Always Survey too long & confusing.
State Park	Glendo	Great new sites keep it up
State Park	Glendo	Great park
State Park	Glendo	Great park - fun for kids & grandkids
State Park	Glendo	Has cabin at marina. Here a lot in the summer & fall. Shares cabin with other family member.
State Park	Glendo	Have a great day
State Park	Glendo	I like the traditional side of Glendo - I don't think technology should be introduced here.
State Park	Glendo	I think Glenda is well kept and other parks should use Glendo as a model. I really like it here.
State Park	Glendo	If a reservable site is not in use, it should be available on a 1st come 1 serve basis. The 48 hour reservation lead time is ludicrous. You should be able to reserve it anytime rather than sites sitting empty. We don't believe you should have to pay extra to reserve a site! We do love camping here! Thanks!! :)
State Park	Glendo	Just moved to Douglas from Arkansas. Want to buy an annual permit.
State Park	Glendo	Limit number of White Tail permits in Muddy Bay. Need a fish cleaning station.
State Park	Glendo	Live in nearby Glendo. Walk dog & fish in lake.
State Park	Glendo	Love my park
State Park	Glendo	maintain boat docks better in the fall would like 2-3 fish cleaning stations.
State Park	Glendo	Need fish cleaning stations, and additional dump station.
State Park	Glendo	Needs fish cleaning station. You can't clean fish back into lake
State Park	Glendo	Our trip was great! Thanks to the park ranger for cookies & hot chocolate the kids were very grateful. Merry Christmas and see you in Spring!
State Park	Glendo	Park note: Visitor says too many questions to answer. He wanted to get out fishing. Visitor says there are too many out of state people.
State Park	Glendo	People working in park are very helpful and cordial
State Park	Glendo	Please prevent Coloradans from bringing in firewood, which often is beetle-infested. I also wish people were not allowed to drive on the "beach."
State Park	Glendo	Real would like to see fish cleaning station.
State Park	Glendo	Scan app with rules & regs & map
State Park	Glendo	Survey is too long
State Park	Glendo	Too many drunks on the park. They keep others awake and are not respectful.
State Park	Glendo	Too many choices - visitor only checked those he liked.
State Park	Glendo	Very Pretty Park
State Park	Glendo	Visitor survey too long. He marked items he would like to see in the future.
State Park	Glendo	We love this park.
State Park	Glendo	Would be a nice addition to have fish cleaning station. *Park note: Visitor said form was too long; he only marked what he was interested in.*

State Park	Glendo	Wy residents should have free access & charge Colorado people more. **Visitor was upset when given a warning for not paying day use fees.**
State Park	Glendo	Your park staff are courteous and helpful. This is a very nice park. My wife and I enjoy it almost daily. Thank you.
State Park	Guernsey	Enjoyed the Yurt, I question location.
State Park	Guernsey	I love this beach! Will come back many, many times
State Park	Guernsey	I've lived in Guernsey for approx 4 yrs & it's always been a favorite weekend get away. If there is anything I can do in the future to help contribute to the park I'm willing! [REDACTED]
State Park	Guernsey	One of the main things we like about the park are the trails and trail maintenance would be an extra plus.
State Park	Guernsey	Parking info during dam closure / winter would be helpful.
State Park	Guernsey	The State needs better advertising for these great State Parks
State Park	Hot Springs	Awesome site, staff super friendly and wonderful springs to sit and relax in
State Park	Hot Springs	Awesome staff & great idea here! I will for sure be back :)
State Park	Hot Springs	Beautiful park very nice helpful friendly people!
State Park	Hot Springs	Clean! (other person from Uganda)
State Park	Hot Springs	Enjoyed my visit, will return to HSSP :) Staff very friendly and facility is very clean and well kept.
State Park	Hot Springs	Excellent Area
State Park	Hot Springs	Great experience.
State Park	Hot Springs	Great facility! Thank you!
State Park	Hot Springs	Great park. Would like to see winter camping sites - perhaps cabins and an indoor facility by pool for picnicing, reading, etc. Make it more than a 20 minute soak. Wifi would be nice.
State Park	Hot Springs	Great staff! Great help with everything! Great enjoyable visit!!!
State Park	Hot Springs	Great!
State Park	Hot Springs	Hot Springs bath house - more privacy in showers / dressing area. Indoor waiting facility with tables / chairs/ wfi.
State Park	Hot Springs	Hot Water is good
State Park	Hot Springs	I bring a group down from Lander and they always look forward to the trip. Love the area & they like to look for the buffalo when we drive through.
State Park	Hot Springs	I love it!
State Park	Hot Springs	I love this park! Your crew here does a great job keeping trails & facilities clean & in good shape
State Park	Hot Springs	I really enjoyed this Hot Springs! We will be back.
State Park	Hot Springs	It was great!
State Park	Hot Springs	It was nice, employees were nice
State Park	Hot Springs	Loved it.
State Park	Hot Springs	Lovely staff here! Very helpful!
State Park	Hot Springs	More campsites
State Park	Hot Springs	Need more people to work - didn't see very many people working. Just bathhouse. Nice Park.
State Park	Hot Springs	Nice accommodations
State Park	Hot Springs	Nice relaxing environment @ the State Bath House - Thank you
State Park	Hot Springs	Our visit here was awesome. Thank you.
State Park	Hot Springs	Posted telephone number
State Park	Hot Springs	Seems like a pretty small park, not sure if all the added expense of possible technology, etc is worth it.
State Park	Hot Springs	Site is clean, staff is friendly :) !
State Park	Hot Springs	Springs and staff were great
State Park	Hot Springs	State bath house the biggest draw
State Park	Hot Springs	Thank you for offering a free service

State Park	Hot Springs	Wonderful place to have to use
State Park	Hot Springs	Would like it open in the evenings
State Park	Hot Springs	Would like to see camping w/water / electric RV dry camp for R/V's - camping for R/V!!
State Park	Hot Springs	Your employees do a wonderful job and I think you should pay them more
State Park	Keyhole	Good Job Road Access
State Park	Keyhole	Great Fishing
State Park	Keyhole	Heard ice fishing was hot drove up from Rock Springs
State Park	Keyhole	Keyhole
State Park	Keyhole	More boat ramps
State Park	Keyhole	More fish!!
State Park	Keyhole	Need more PR, not a very welcome atmosphere
State Park	Keyhole	Nice & clean
State Park	Med Lodge	Fine job being done right now!
State Park	Med Lodge	More campsites in summer!
State Park	Med Lodge	Nice park
State Park	Med Lodge	Nice!
State Park	Med Lodge	Thank you!
State Park	Med Lodge	The manager here was very helpful and courteous letting us know if we needed anything he was here. Thank you ~ a quiet and pleasant place to get away. :)
State Park	Med Lodge	Trailer dump station would be really great
State Park	Med Lodge	We love this beautiful park just the way it is - year round! Good job
